The Art of Digital Music David Battino, Kelli Richards, 2005 Some of the great modern artists of digital including Alan Parsons Herbie Hancock BT Todd Rundgren Steve Reich and Phil Ramone explain how they use digital technology to expand their range of creative choices Original *Keyboard*, 2005 All by Myself Steve Hamelman, 2016-05-19 Thriving within a narrow niche in rock music is the recording on which one artist composes plays sings and often produces each track As a showcase of individual effort and talent the single artist rock album has been adopted by artists such as Neil Young Stevie Wonder and Prince to produce unique additions to their discographies To this type of album Steve Hamelman has affixed the label AlphaSoloism In *All by Myself* Essays on the Single Artist Rock Album eleven scholars explore eleven different albums both well known and obscure released between 1970 and 2011 Their essays illuminate aesthetic technical and theoretical elements that distinguish AlphaSolo recordings from conventional ones In addition to providing historical background on studio live original and cover recordings released between the 1970 to the present the essays explore questions of intention craft performance and reception *All by Myself* marks the AlphaSolo subgenre's moment of origin as a musical category and academic field To date no study exists on this unique genre of music making and *All by Myself* serves as a call for future investigations into this present and growing phenomenon in rock culture *All About M.E.* Mel Elzea, 2019-01-31 This autobiography is a must read to prepare you to find Mel and his great next project above the sky's limits in the cosmos His artist business partner says If you read his autobiography you will have a chance because you will like being first **Etudes for Piano Teachers** Stewart Gordon, 1995-02-23 Just as musical etudes focus on the development of skills and address the technical problems encountered in keyboard literature the etudes in Stewart Gordon's new book also focus on ideas which prepare piano teachers for meeting the problems encountered in piano performing and teaching This major new collection on the piano teacher's art opens with an assessment of the role of the piano teacher and goes on to explore various types of students and the challenge each presents the moderately talented but ambitious student the late beginner the unusually gifted Drawing on thirty years of teaching and performing Gordon then brings fresh ideas to bear on the often discussed areas of inner hearing pulse regulation improvisation sight reading and collaborative music making There are sections on performance procedures memorizing pedalling and historical performance practices a carefully balanced consideration of the role of the piano student and teacher and realistic looks at the problems facing the profession today the dynamics of a performing career and the stages through which musicians' careers often pass Designed to open up new avenues of inquiry to

provoke discussion and creative thinking and to challenge and motivate students these essays will be vital reading for all serious piano students and teachers **Liszt Letters in the Library of Congress** Franz Liszt, Library of Congress, 2003 Yet he did and thankfully considerable insight may be gained from this as to his relationships compositional methods especially with regard to publication of his works philosophical thoughts attitudes to literature to other composers other artists in different spheres even though more rarely his approach to politics and equally important his religious leanings Piano and Keyboard All-in-One For Dummies Holly Day, Jerry Kovarksy, Blake Neely, David Pearl, Michael Pilhofer, 2014-04-28 The go to reference for aspiring pianists and keyboard players Piano Keyboard All in One For Dummies makes it easier and more fun than ever to make music If you don't know how to read music this book explains in friendly uncomplicated language all the basics of music theory and applies it to playing the piano and keyboard And if you've been playing for awhile or took lessons when you were a child but haven't played since you can pick up some valuable tips to improve your playing or use the book as a refresher course This indispensable resource combines the best of For Dummies books including Piano For Dummies Keyboard For Dummies Music Theory For Dummies and Piano Exercises For Dummies to get you up and running in no time The handy reference helps you to master the traditional black and white keys and gives you an understanding of the possibilities that unfold when those black and whites are connected to state of the art music technology Discover the secrets for becoming a master on the piano and keyboard Improve your skills with a wealth of easy to apply piano exercises Tap into your creativity and get the lowdown on composing an original song Find out how to use keyboards anywhere using external speakers amps home stereos computers and tablets Dive right in This comprehensive book offers the most complete learning experience for aspiring pianists keyboard enthusiasts and students of music **Teaching Performance: A Philosophy of Piano Pedagogy** Jeffrey Swinkin, 2015-07-16 How can the studio teacher teach a lesson so as to instill refined artistic sensibilities ones often thought to elude language How can the applied lesson be a form of aesthetic education How can teaching performance be an artistic endeavor in its own right These are some of the questions Teaching Performance attempts to answer drawing on the author's several decades of experience as a studio teacher and music scholar The architects of absolute music Hanslick Schopenhauer and others held that it is precisely because instrumental music lacks language and thus any overt connection to the non musical world that it is able to expose essential elements of that world More particularly for these philosophers it is the density of musical structure the intricate interplay among purely musical elements that allows music to capture the essences behind appearances By analogy the author contends that the more structurally intricate and aesthetically nuanced a pedagogical system is the greater its ability to illuminate music and facilitate musical skills The author terms this phenomenon relational autonomy Eight chapters unfold a piano pedagogical system pivoting on the principle of relational autonomy In grounding piano pedagogy in the aesthetics of absolute music each domain works on the other On the one hand Romantic aesthetics affords pedagogy a source of artistic value in its own right

On the other hand pedagogy concretizes Romantic aesthetics deflating its transcendental pretensions and showing the dichotomy of absolute utilitarian to be specious Piano & Keyboard All-in-One For Dummies Holly Day, Jerry Kovarsky, Blake Neely, David Pearl, Michael Pilhofer, 2020-08-04 The comprehensive go to guide for building keyboard skills Being able to play a tune on the piano can bring you a lifetime of sheer aesthetic pleasure and put you in serious demand at parties Whatever your motivation for tinkling the ivories the latest edition of Piano Keyboard All In One For Dummies gives you the essentials you need both to build your playing skills and expand your knowledge of music theory from deciding what keyboard suits you best to musing on the science of what makes music so emotionally compelling This indispensable resource combines the best of Piano For Dummies Keyboard For Dummies Music Theory For Dummies and Piano Exercises For Dummies and includes practice strategies as well as access to streaming and downloadable audio to help guide your progress In addition to becoming acquainted with the latest in music theory you ll learn to develop your sight reading skills and performance techniques until you can reproduce pieces flawlessly on request Choose and care for your keyboard Practice until perfect Compose your own songs Hook up to speakers computers and more Learning to play the keys is a never ending journey of new discoveries and joy and there s no better companion on your voyage than this friendly erudite and comprehensive guide P S If you think this book seems familiar you re probably right The Dummies team updated the cover and design to give the book a fresh feel but the content is the same as the previous release of Piano and Keyboard AIO For Dummies 9781118837429 The book you see here shouldn t be considered a new or updated product But if you re in the mood to learn something new check out some of our other books We re always writing about new topics
