Amsterdamsche Straatnamen Geschiedkundig Verklaard:

Amsterdamsche straatnamen geschiedkundig verklaard A. Margaretha van Gelder, 1913 *New Netherland Roots* Gwenn F. Epperson, 1994 The purpose of this book is to show the researcher how to trace a 17th century New Netherland ancestor back to his place of origin in Europe Mrs Epperson demonstrates that without leaving the United States and without speaking or reading a foreign language the researcher in using such records as exist at the LDS Family History Library and family history centers throughout the United States can successfully trace his New Netherland ancestry all on his own

Power and Urban Space in Pre-Modern Holland Clé Lesger, 2024-02-22 Cities and urban societies have many faces In this study the pre modern cities of Holland are presented as arenas where power relations between social classes are expressed in a more or less permanent appropriation of physical space and through discursive strategies The continuity of the power relations in the cities of Holland spanning centuries makes it urgent to look not only at the assumption of urban space as an expression of power relations within society but also at the contribution of this appropriation to the acceptance and continuity of the existing power relations in pre modern Holland Within this broad area extensive attention is paid to the very prominent and enduring appropriation of urban space in the field of housing the less permanent but violent appropriation of urban space during the public execution of scaffold punishments the maintenance of public order by civic militias and appropriation during riots and revolts In addition city descriptions maps and pictures of the pre modern cities of Holland are scrutinised for what they can reveal about the appropriation of urban spaces These themes each have an extensive historiography but they have never been brought together in an interpretative framework that fits in with Pierre Bourdieu's model of society and the work of especially John Allen on power until now *Het faillissement der Hollandsche steden:*
