An Expression Of Character The Letters Of George Macdonald:

An Expression of Character George MacDonald, 1994 *Theology of George MacDonald* John R. de Jong, 2021-01-01
George MacDonald 1824 1905 was writing at a time of Evangelical unease In a society ravaged by Asiatic cholera numbed by levels of infant mortality and fearful of revolution and the toxicity of industry to name but a few of the many challenges the gospel proclaiming eternal damnation for unbelievers was hardly good news rather Christianity was increasingly viewed as the source of bad news and a tool of state oppression MacDonald agreed in his view the church had become a vampire sucking the blood of her children instead of offering them Eucharistic life In contrast like Christ MacDonald offers us a child Although at first sight a familiar Romantic incarnation in MacDonald s theology the child becomes an unlikely icon challenging the vampire s kingdom and confronting the foundations of much of Western theology John R de Jong s meticulously researched study of MacDonald s work especially his realist and fantasy novels in its Victorian context is of more than historical interest In light of the growth of fundamentalist expressions of Christianity we are encouraged to consider embracing MacDonald s radical solution to religious vampirism becoming children *George MacDonald: A Writer's Life* Michael Phillips, 2019-05-07 The leading MacDonald scholar and biographer presents the most comprehensive work to date on the 19th century author s life and work Best known for his fiction and fairy tales such as the immortal classics Robert Falconer and At the Back of the North Wind the Victorian author and theologian George MacDonald inspired some of the greatest writers of the 19th and 20th centuries Most notably C S Lewis credits MacDonald s books with inspiring his works of fantasy fiction as well as putting him on the path to Christianity In this major biographical work MacDonald scholar Michael Phillips examines how the events of the author s life contributed to his work and legacy Referring to this volume as a bibliographic biography Phillips brings his expertise to bear on the complete corpus of MacDonald s fiction pointing out each book s essential themes and offering insights into how each title can be most perceptively be read

George MacDonald in the Age of Miracles Timothy Larsen, 2018-11-20 In this Hansen Series volume Timothy Larsen considers the legacy of George MacDonald the Victorian Scottish author and minister who is best known for his pioneering fantasy literature Larsen explores how MacDonald sought to counteract skepticism unbelief naturalism and materialism and to herald instead the reality of the miraculous the supernatural the wondrous and the realm of the spirit *George MacDonald's Challenging Theology of the Atonement, Suffering, and Death* Miho Yamaguchi, 2007-06 This book sheds light on the challenging theology of nineteenth century Scottish writer George MacDonald concerning the true meaning of the Atonement the purpose of trials and suffering the nature of the unpardonable sin hope for growth and death Under consideration is Thomas Hooker s Poor Doubting Christian Drawn unto Christ on the redemption of Joan Drake and its influence on MacDonald s Wingfold trilogy MacDonald s version of the Wandering Jew MacDonald s interpretation of Coleridge s The Rime of the Ancient Mariner and Dante s Divine Comedy and similarities and differences between the

theological ideas of MacDonald C S Lewis Elizabeth Prentiss and Shusaku Endo **An Expression of Character** George MacDonald,1994 Sadler skillfully introduces each section summarizing the significant milestones in MacDonald s life Sixteen pages of photographs including many of the MacDonald family also help capture this intriguing literary figure **The Victorian Pulpit** Robert H. Ellison,1998 The Victorian Pulpit is the first book to employ the methods of orality literacy scholarship in the study of the nineteenth century British sermon The first chapters present three ways in which Victorian preaching was a conflation of oral and written practice The second part is an analysis of the rhetoric of three prominent ministers The book concludes by suggesting other ways of bringing orality literacy studies and Victorian scholarship together

Scottish Literature Since 1707 Marshall Walker,2017-07-12 Marshall Walker s lively and readable account of the highs and lows of Scottish literature from this important date to the present addresses the important themes of democracy power and nationhood Disposing of stereotypical ideas about Scotland and the Scots this fresh approach to Scottish literature provides a critical interpretation of its distinctive style and presents the reader with an informative introduction to Scottish culture Coverage includes the Scottish enlightenment and the world of Boswell and David Hulme to the Scottish Renaissance associated with Hugh MacDiarmid Developments in the contemporary literary scene include John McGrath s theatre Company and the fiction and poetry of Alastair Gray and Ian Crichton Smith Particular attention is given to the work of Scottish women writers such as Lady Grizel Baillie and Liz Lochhead who have been much neglected in previous literature

Haunted Childhoods in George MacDonald John Patrick Pazdziora,2020-08-25 George MacDonald is generally remembered as a benevolent preacher who wrote fairy tale books for children Closer reading however reveals one of the most startlingly inventive slyly subversive Scottish writers of the nineteenth century His writings for children emerged from his own long struggle with faith and doubt in the face of multiple bereavements chronic illness and the persistent threat of early death Haunted Childhoods in George MacDonald reconsiders death and divine love in MacDonald s writings for children It examines his private letters and public sermons obscure early writings and most beloved stories Setting his work alongside texts by James Hogg and Andrew Lang it argues that MacDonald appropriated traditional Scottish folk narratives to help child readers apprehend his mystically inclined understanding of mortality *Laws of the Spiritual Order* Don Horrocks,2007-01-01 The name of Thomas Erskine is one of the more significant landmarks on the map of nineteenth century British theology Erskine though is little read these days and there has long been a need for an in depth authoritative treatment of his thought in order to rekindle our interest Don Horrocks has provided just such a study Horrocks focus on Erskine s soteriology opens up distinctive perspectives on a raft of key theological themes from the doctrine of God to the nature of faith and religious experience and the authoritative sources for theology In addition this informative study captures the mood of that early mid nineteenth century intellectual milieu which Erskine s thought both embodies and transcended Unmatched in its analysis and evaluation of Erskine s contribution Trevor Hart Professor of Divinity St Mary s College

University of St Andrews Scotland Don Horrocks is a born researcher who writes with clarity and interest This book is a splendid contribution to the growing conversations concerning previously neglected theologians Thomas Erskine s precocity has come of age and I can think of no better a presentation of his context and theology than that offered by Horrocks Graham McFarlane Lecturer in Systematic Theology London School of Theology UK Thomas Erskine is one of the seminal but neglected theologians of nineteenth century Scotland In his study Don Horrocks introduces us to Erskine s thought in a thematic way that is at once lucid scholarly and stimulating It should be on the bookshelf of every serious student of the period Nick Needham Lecturer in Church History Highland Theological College Dingwall Scotland Don Horrocks work provides a searching analysis of this key nineteenth century theologian It is likely to be the first recourse on the subject for many years to come Meic Pearse Associate Professor of History Houghton College Don Horrocks spent twenty five years in business in corporate banking and management consultancy He completed his Ph D on which this work is based at London Bible College in 2002 He has headed up the Evangelical Alliance s Policy Commission for four years He was appointed Public Affairs Manager for the Alliance in September 2001 He has edited books on transsexuality and on GM Crops and Foods for the Evangelical Alliance Policy Commission A Research Associate at London School of Theology he is married with three children
