Trusta, 1852 An Angel Over My Shoulder Carol Bessler, 2007-09 Have you ever wondered if life could change for you? Could a word or an action change the course of your life? Can a supernatural force out there influence you or your family? Does God send His representatives angels to accomplish His means? Find out what he did for the main character Cassandra in *An Angel Over My Shoulder*. Watch what happened in her life. Could it happen for you? Cassandra was an ordinary child in an ordinary home. Find out why she became so extraordinary as an adult. Cassandra's story begins as an eleven-year-old child in a chaotic home. Her life changes after high school. She is involved in the world of high finance and romance. Her life has many ups and downs until a mysterious stranger comes into her life. Someone she feels she has known and not known all of her life. Does God send people? Could the changes in her life be your changes? Find out what God can do. Can He intercede in your life even if you don't believe in Him? Even if you worship another god? Could this be for you also? Angel over My Shoulder, 2004  
*Angel Blessings* meets half full in this inspiring collection of 40 true stories illustrating the protection, love, and joy guardian angels bring into our lives. This book marries two best-selling trends: angels and heartwarming story collections. Vested Angels Maurice Basil McNamee, 1998 McNamee's detailed and well-illustrated new study is about eucharistic symbolism in Early Netherlandish painting. It focuses on the pervading presence of the vested angel in this school of painting and its eucharistic significance. These angels, dressed in every possible variation of the vestments of the subministrators of the traditional Solemn High Mass, are represented as serving the Christ in each episode of His life. The history of the vested angel is traced through numerous paintings representing scenes from the life of Christ, from the Annunciation through the Last Judgement. The theological basis of this study is offered in a discussion of Maurice de la Taille's *Mysterium Fidei*, a theory of Mass that best parallels the concept of Eucharistic symbolism in Early Netherlandish painting. Colour illustrations and over a hundred photographs of the original paintings help the reader to follow this fascinating analysis. Sociology of the Arts Victoria D.
