attractive the years he spent reeling in the wake of a family tragedy At the age of twenty three Connors was a young man on the make He d left behind the Minnesota pig farm on which he d grown up and the brother with whom he d never been especially close He had a magazine job lined up in New York City and a future unfolding exactly as he d hoped Then one phone call out of the blue changed everything All the Wrong Places is a searingly honest account of the aftermath of his brother s shocking death exploring both the pathos and the unlikely humor of a life unmoored by loss Beginning with the otherworldly beauty of a hot air balloon ride over the skies of Albuquerque and ending in the wilderness of the American borderlands this is the story of a man paying tribute to the dead by unconsciously willing himself into all the wrong places whether at the copy desk of the Wall Street Journal the gritty streets of Bed Stuy in the 1990s or the smoking rubble of the World Trade Center With ruthless clarity and a keen sense of the absurd Connors slowly unmasks the truth about his brother and himself to devastating effect Like Cheryl Strayed s Wild this is a powerful look back at wayward years and a redemptive story about finding one s rightful home in the world **All the Wrong Places** Randi Perrin,2019-05-24 It s an epic day of failure for American born Australian raised Rachel Kennedy She starts out with an eviction notice followed by screwing up her latest audition losing her job and catching her boyfriend in bed with her nemesis Jobless Homeless Single All in one day Fantastic Things start to look up weeks later when she stumbles into the well built arms of Christian Whitmore a hot cop with a sinful smile impeccable timing and as it turns out a twin brother Christian is always there to rescue her when she needs saving but for everything that s right about him there s something wrong too It really doesn t help when she finds out his twin is everything he s not Or is he Although Christian and his brother are complete opposites in every way they are both harbouring secrets and Rachel s having trouble trusting either one of them Can she overcome the deception or will she just add both Whitmore brothers to her long list of spectacular fails **All the Wrong Places** Rebecca Fisher,2010-11-15 Following the author s real life experiences living in a mortuary in Northern California and raising her young daughter on her own All the Wrong Places is a semi autobiographical story of a single mother and her journey to self discovery independence and a true understanding of love Driving aimlessly through the stormy suburbs of San Francisco Casey Wheeler is fleeing from her abusive and unfaithful husband with her five year old daughter Maddy asleep in the backseat With nowhere to go and no one to turn to Casey loses control of her emotions and her car crashing into a hillside below a mortuary Desperately seeking shelter and more so independence she finds herself taken in by the mortuary director who apprehensively offers her a job and a place to live As she stumbles through the ins and outs of her new and morbid surroundings Casey is forced into a hostile custody battle with her relentless and increasingly violent husband In the midst of all the chaos she finds a new family and even love in the eccentric and protective people of Golden Oaks Funeral Home But just when she has found all she could hope for she will have to fight to the death to protect it **In All the Wrong Places** Donna Anders,2003-05-05 Hailed by Ann Rule as one of the masters of the kind of suspense that goes beyond stark terror Donna Anders returns with an

electrifying thriller about a woman whose fame attracts a fan's murderous attention Home shopping fans everywhere adore Carolyn Langdon she's the beautiful outgoing hostess of the Atlanta based National Neighborhood Network Gifted with a perfect look and a vivacious on air personality her phenomenal success is owed to one simple thing her fans love the way she shares her life stories and how she makes them feel like her friends But Carolyn may have shared too much She's receiving strange phone calls at home and has the feeling that she is being watched wherever she goes After a series of unsettling and frightening coincidences push her to the edge of paranoia Carolyn realizes that someone out there wants much more of her than she's willing to give And if she cannot be had she most certainly can be killed In All the Wrong Places Arden Forrest, 2018-05-19 Samantha struggles to maintain her life as a respected member of society in a small town while desperately seeking a female lover Barry Sam's husband and best friend encourages her to explore and fulfill her dreams and desires until Sam meets Valerie Valerie is everything Sam is not Sam quickly succumbs to Valerie's sexual magnetism tumbling into a volatile weekend relationship with hard core aggressive Valerie Soon Sam's life spins out of control Barry spends more and more weekends alone with her children while Sam gets drawn into Valerie's unsavory lifestyle Sam is determined to fit Valerie into her life but unable to recognize Valerie's destructive behavior If Sam can't find the love and peace she's looking for with Valerie where will she go Looking for Law in All the Wrong Places Marianne Constable, Leti Volpp, Bryan Wagner, 2019-03-05 For many inside and outside the legal academy the right place to look for law is in constitutions statutes and judicial opinions This book looks for law in the wrong places sites and spaces in which no formal law appears These may be geographic regions beyond the reach of law everyday practices ungoverned or ungovernable by law or works of art that have escaped law's constraints Looking for Law in All the Wrong Places brings together essays by leading scholars of anthropology cultural studies history law literature political science race and ethnic studies religion and rhetoric to look at law from the standpoint of the humanities Beyond showing law to be determined by or determinative of distinct cultural phenomena the contributors show how law is itself interwoven with language text image and culture Many essays in this volume look for law precisely in the kinds of wrong places where there appears to be no law They find in these places not only reflections and remains of law but also rules and practices that seem indistinguishable from law and raise challenging questions about the locations of law and about law's meaning and function Other essays do the opposite rather than looking for law in places where law does not obviously appear they look in statute books and courtrooms from perspectives that are usually presumed to have nothing to say about law Looking at law sideways or upside down or inside out defamiliarizes law These essays show what legal understanding can gain when law is denied its ostensibly proper domain Contributors Kathryn Abrams Daniel Boyarin Wendy Brown Marianne Constable Samera Esmeir Daniel Fisher Sara Ludin Saba Mahmood Rebecca McLennan Ramona Naddaff Beth Piatote Sarah Song Christopher Tomlins Leti Volpp Bryan Wagner
