An Introduction to Critical Discourse Analysis in Education Rebecca Rogers, 2004-02-26 First Published in 2004
Routledge is an imprint of Taylor Francis an informa company **An Introduction to Critical Discourse Analysis in Education** Rebecca Rogers, 2011-04-06 Accessible yet theoretically rich this landmark text introduces key concepts and issues in critical discourse analysis and situates these within the field of educational research The book invites readers to consider the theories and methods of three major traditions in critical discourse studies discourse analysis critical discourse analysis and multimodal discourse analysis through the empirical work of leading scholars in the field Beyond providing a useful overview it contextualizes CDA in a wide range of learning environments and identifies how CDA can shed new insights on learning and social change Detailed analytic procedures are included to demystify the process of conducting CDA to invite conversations about issues of trustworthiness of interpretations and their value to educational contexts and to encourage researchers to build on the scholarship in critical discourse studies This edition features a new structure a touchstone chapter in each section by a recognized expert Gee Fairclough Kress and a stronger international focus on both theories and methods NEW Companion Website with Chapter Extensions Interviews Bibliographies and Resources for Teaching Critical Discourse Analysis **Critical Discourse Analysis, Critical Discourse Studies and Beyond** Theresa Catalano, Linda R. Waugh, 2020-09-28 This book explores the problem oriented interdisciplinary research movement comprised of Critical Discourse Analysis CDA and Critical Discourse Studies CDS for scholars teachers and students from many backgrounds Beginning with a Preface by renowned CDA CDS scholar Ruth Wodak it introduces CDA CDS through examples of what its research looks like delineates various precursors to CDA CDS and important foundational concepts and theories and traces its development from its early years until it became established After the relationship between CDA and CDS is discussed seven commonly cited approaches to CDA CDS are outlined including their connections and differences their origins and development major and associated scholars research focus es and central concepts and distinguishing features After a summary of critiques of CDA CDS and responses by CDA CDS scholars the book provides an overview of its salient connections to other interdisciplinary areas of scholarship such as critical applied linguistics education anthropology ethnography sociolinguistics gender studies queer linguistics pragmatics and ecolinguistics The final chapter describes how scholars use their knowledge of CDA CDS to make a difference in the world *Reviewing Qualitative Research in the Social Sciences* Audrey A. Trainor, Elizabeth Graue, 2013-03-05 Foundational characteristics of qualitative research include flexibility variation in application critique and innovation all of which derive from its subjective roots in interpretivism and constructivism While the scholars who design qualitative research projects envision these qualities as strengths such a breadth of practices and the assumptions that undergird them may present challenges during the peer review process As a result those who review and consume qualitative research often have important and difficult to answer questions about the

project's design strategies tools and analysis with few guidelines for gauging the merit of the work The mission of this book is to provide a useful guide for researchers reviewers and consumers who are charged with judging the quality of qualitative studies In order to embrace the challenges and controversies that accompany this goal the editors have solicited experts representing multiple disciplines and methods of qualitative inquiry Their contributions represent the rich diversity in the field while simultaneously producing a pragmatic and useful guide While it is neither possible nor desirable to compartmentalize qualitative approaches and issues into neatly organized categories the construct of method has been chosen as a common organizing device The introductory chapter explains the need for such a book and underscores the foundational strengths of qualitative research flexibility variation critique and innovation The remaining chapters review the principal approaches to qualitative research with care taken not to standardize rigidly define or oversimplify any approach For ease of use all methodological chapters are organized around the following elements of inquiry which reviewers tend to examine definition sampling data collection data analysis representation and congruency

Literacy Research

Methodologies Marla H. Mallette, Nell K. Duke, 2020-11-23 The definitive reference on literacy research methods this book serves as a key resource for researchers and as a text in graduate level courses Distinguished scholars clearly describe established and emerging methodologies discuss the types of questions and claims for which each is best suited identify standards of quality and present exemplary studies that illustrate the approaches at their best The book demonstrates how each mode of inquiry can yield unique insights into literacy learning and teaching and how the methods can work together to move the field forward

Muslim Women as Speakers of English Madiha Neelam, 2022-10-28 This book examines representations of Muslim women as speakers of English in the context of a language ideological debate in the UK in 2016 The author shows how Muslim women are stereotyped as non speakers of English through the manipulation of census data and how this supposed lack of English is discursively constructed as an index of their supposed oppression complicity in the threat of extremism emanating from their sons and limited participation in the labour force The book aims to complement a growing body of research on raciolinguistics and language ideologies It illuminates the intersection of language Islamophobia and securitization and will be of interest to postgraduate students and academics working in applied linguistics and discourse analysis and interdisciplinary audiences in studies of race Islamophobia and gender
