An Introduction To English Grammar:

An Introduction to English Grammar Gerald Nelson, Sidney Greenbaum, 2013-11-04 An Introduction to English grammar provides a comprehensive overview of all aspects of English grammar and can be used in the classroom for self study or as a reference book The book is organised in two parts on grammar and its applications and provides everything a beginning student needs to get to grips with the theory and practice of English usage including sections on style punctuation and spelling This third edition has been fully revised and updated to include an expanded section on English in Use usage notes highlighting common errors updated exercises a glossary and a companion website with further graded exercises

English Grammar Peter Collins, Carmella Hollo, 2017-09-16 This core textbook helps readers get to grips with the fundamentals of English grammar so that they can critically engage with a wide variety of texts Combining contemporary linguistic approaches with the familiar terminology of traditional grammar this lively book offers a hands on introduction to English grammar It begins by situating the study of grammar within its broader context before moving on to look at the various categories that are used when analysing texts Later chapters focus on the practical application of the skills acquired in the first part of the book This is an indispensable text for students and teachers of English language and linguistics It is also a valuable resource for those studying English as a second or foreign language New to this Edition A wealth of new material including further detail on morphology more examples and revised explanations of key terms Improved glossary and index in response to detailed user feedback Fully updated throughout to meet the needs of today's students

A Student's Introduction to English Grammar Rodney Huddleston, Geoffrey K. Pullum, 2005-02-17 This groundbreaking undergraduate textbook on modern Standard English grammar is the first to be based on the revolutionary advances of the authors previous work The Cambridge Grammar of the English Language 2002 The analyses defended there are outlined here more briefly in an engagingly accessible and informal style Errors of the older tradition of English grammar are noted and corrected and the excesses of prescriptive usage manuals are firmly rebutted in specially highlighted notes that explain what older authorities have called incorrect and show why those authorities are mistaken This book is intended for students in colleges or universities who have little or no previous background in grammar and presupposes no linguistics It contains exercises and will provide a basis for introductions to grammar and courses on the structure of English not only in linguistics departments but also in English language and literature departments and schools of education

An Introduction to English Grammar Gerald Nelson, Sidney Greenbaum, 2018-03-29 An Introduction to English Grammar provides a comprehensive overview of all aspects of English grammar The first part of the book The Grammar provides a step by step introduction to the key topics in English grammar The second part The Applications shows how a grasp of these topics can be helpful in resolving usage problems in developing a clear writing style and in mastering punctuation and spelling A whole chapter English in Use is devoted to illustrating the grammatical features of a wide range of modern text types including emails

Facebook pages and tweets It also looks at the special grammatical features of English in everyday conversation Each chapter is followed by two sets of exercises The first set can be used in self study or in the classroom The second set deals with more advanced topics and can be used for classroom discussion or essay writing This fourth edition has been fully revised and updated and includes clearer descriptions and improved presentation new material on word structure and word formation new exercises examples and extracts updated further reading Assuming no prior knowledge of English grammar this book is ideal for beginning students on a one semester course and provides everything a student needs on the theory and practice of English usage A comprehensive Glossary of grammatical terms is included and a website provides invaluable additional exercises

Understanding English Grammar Thomas E. Payne, 2011 Unlike other textbooks it helps students to understand grammar rather than see it as a set of facts and rules *An Introduction To English Grammar, 2/E* Greenbaum, 2002-09

A Short Introduction to English Grammar Robert Lowth, 1763 *An Introduction to English Grammar* Sidney Greenbaum, 1993

Understanding Sentence Structure Christina Tortora, 2018-07-27 A straightforward guide to understanding English grammar This book is for people who have never thought about syntax and who don't know anything about grammar but who want to learn Assuming a blank slate on the part of the reader the book treats English grammar as a product of the speaker's mind and builds up student skills by exploring phrases and sentences with more and more complexity as the chapters proceed This practical guide excites and empowers readers by guiding them step by step through each chapter with intermittent exercises In order to capitalize on the reader's confidence as a personal authority on English Understanding Sentence Structure assumes an inclusive definition of English taking dialect variation and structures common amongst millions of English speakers to be a fact of natural language Situates grammar as part of what the student already unconsciously knows Presupposes no prior instruction not even in prescriptive grammar Begins analyzing sentences immediately with the big picture sentences have structure structure can be ambiguous and moves through levels of complexity tapping into students' tacit knowledge of sentence structure Includes exercise boxes for in chapter practicing of skills side notes that offer further tips encouragement on topics being discussed and new terms defined immediately and helpfully in term boxes Applies decades of findings in syntactic theory and cognitive science with an eye towards making English grammar accessible to school teachers and beginning students alike Understanding Sentence Structure An Introduction to English Syntax is an ideal book for undergraduates studying modern English grammar and for instructors teaching introductory courses in English grammar syntax and sentence structure *An Introduction To English Grammar* P.
