An Introduction to Discourse Analysis. (Applied Linguistics and Language Studies). Malcolm Coulthard, 1985 A Discourse Analysis of Galatians and the New Perspective on Paul David I. Yoon, 2019-04-09 In A Discourse Analysis of Galatians and the New Perspective on Paul David I Yoon outlines discourse analysis from the framework of Systemic Functional Linguistics for analyzing Paul's letter to the Galatians From this analysis he determines whether the context of situation better reflects the New Perspective on Paul covenantal nomism or a more traditional perspective legalism The first half of the book introduces the New Perspective on Paul and discourse analysis followed by a detailed model of SFL discourse analysis with respect to register and context of situation The second half is a discourse analysis of Galatians This is the first monograph length study to address the New Perspective on Paul from a linguistic approach and will as such be of great interest to scholars of Pauline Studies linguistics and theology *The Arts and the Bible* Stanley E. Porter, Wendy J. Porter, 2024-01-04 Throughout its history the Christian church has had a troubled relationship with the arts whether literature poetry music visual arts or other forms of artistic expression This volume is not designed to resolve the issues but it is designed to present a number of different statements about various dimensions of the arts in their relationship to the Bible The Bible is the document that stands behind the Christian church as an inspiration to it and to its arts As a result we have divided this volume into six parts perspectives on the arts culture and art visual enactments contemporary interpretations music and the Bible and literature Many of the issues that the history of the interaction of the arts and the Bible within the Christian church has uncovered are insightfully and artfully addressed by this
