Apache Tactics 1830-86 Elite Paperback 2012 Author Robert Watt Adam Hook:

Apache Tactics 1830-86 Robert N. Watt, 2012-01-20 The Apache culture of the latter half of the 19th century blended together the lifestyles of the Great Plains Great Basin and the South West but it was their warfare that captured the imagination This book reveals the skilful tactics of the Apache people as they raided and eluded the much larger and better equipped US government forces Drawing on primary research conducted in the deserts of New Mexico and Arizona this book reveals the small unit warfare of the Apache tribes as they attempted to preserve their freedom and in particular the actions of the most famous member of the Apache tribes Geronimo

Apache Warrior 1860-86 Robert N. Watt, 2014-07-22 Focusing on the Chiricahua Apache led by such famous warriors as Cochise Mangas Coloradas Victorio Nana and Geronimo this book strips away the myths behind the history of some of the feared opponents of the US Army in the southwest United States It explains how their upbringing training and culture equipped them uniquely for survival in the harsh environment of New Mexico and Arizona and enabled them to fight off their Mexican and American enemies for so long For decades legendary Apaches like Victorio and Geronimo led resistance in the desert Southwest that defied the firepower of the post Civil War US Army The Apache warrior evokes a number of images endurance elusive cunning ferocity and cruelty These are images prevalent both during the Apache Wars of the 1860s to the 1880s and are to some extent still believed today General George Crook described them as Human Tigers

'With My Face to My Bitter Foes' Robert N. Watt, 2019 The third volume takes up the story of the continued struggle for the return of their Ojo Caliente reservation after Victorio's death at Tres Castillos Led by Nana the surviving Chihenne Apaches regrouped and despite their losses decided to continue the fight In January 1881 these Apaches launched several attacks in southern New Mexico but for the moment avoided direct confrontation with the US army choosing to evade their pursuers Having returned to northern Mexico Nana returned to New Mexico in July and August to lead one of the legendary raids of the Apache wars between 1860 and 1886 While this event deserves legendary status the numbers of US troops deployed against the Apaches has been exaggerated Moreover the numerical advantage of the actual numbers of US troops deployed was usually offset by the scope and knowledge of the terrain traversed by the Apaches Most importantly this was the last time that Apaches would attempt to maintain their independent way of life within the USA This volume will conclude with an evaluation of winners and losers legacy of the campaign and lessons to be learned for today from the small wars of the nineteenth century
