Written by an AP World History teacher, the targeted review chapters prepare students for the test by only focusing on the important topics and themes tested on the AP World History exam. The easy-to-read review chapters in outline format cover everything AP students need to know for the exam: The Ancient Near East, The Middle Ages, Early Modern Europe, Asia, World War I, II, The Cold War, and more. The author also includes must-know key terms all AP students should know before test day. Secondly, this guide can be used at any point in the school year. Writing prompts cover every era of history and are arranged in an easy-to-follow chronological order. The writing practice section contains six DBQs, twelve LEQs, and seventy-two SAQs. This guide also has THREE multiple-choice practice tests. The first multiple-choice test covers the first three time periods: Paleolithic era to 1500 C.E. and is designed to be taken halfway through the course to give students an idea of where they stand. The other two multiple-choice exams cover the entire course curriculum. All multiple-choice questions and writing prompts are tied to the key concepts of the course, and the answer key features comprehensive explanations and examples of student work. No other prep book offers this much practice material written to AP guidelines.
