Jones,2020 From a stage erected in front of the US Capitol on April 25 1993 Michael Callen surveyed the throng an estimated one million people stretched across the National Mall in the largest public demonstration of queer political solidarity in history What a sight he told the crowd his earnest Midwestern twang reverberating through loudspeakers You re a sight for sore eyes Being gay is the greatest gift I have ever been given and I don t care who knows about it He then launched into a gorgeous rendition of Love Don t Need a Reason the AIDS anthem he composed with Marsha Malamet and the late Peter Allen As Callen finished singing people stood cheering and flashing the familiar American Sign Language symbol for I Love You For they knew the song s sentiment rang true for Callen who had recently announced his retirement from music and activism after a living for more than a decade with what was then called full blown AIDS After the March on Washington Callen returned to his recently adopted West Coast home Los Angeles In the ensuing months his health rapidly declined and on 27 December 1993 Callen died of AIDS related pulmonary Kaposi s sarcoma Love Don t Need a Reason focuses on Callen s most important and lasting legacy his music A witness to the overlooked last years of Gay Liberation and a major figure in the early years of the AIDS crisis Michael Callen chronicled these experiences in song A community organizer activist author and architect of the AIDS self empowerment movement he literally changed the way we have sex in an epidemic when he co authored one of the first safe sex guides in 1983 A gifted singer songwriter and performer he also made gay music for gay people and used music to educate and empower people with AIDS Listening again to his music allows us to hear the shifting dynamics of American families changing notions of masculinity gay migration to urban areas the sexual politics of Gay Liberation and HIV AIDS activism Using extensive archival materials and newly conducted oral history interviews with Callen s friends family and fellow musicians Matthew J Jones reintroduces Callen to the history of LGBTQIA music and places Callen s music at the center of his important activist work *The Doubled Life of Dietrich Bonhoeffer* Diane Reynolds,2016-03-11 Few twentieth century theologians have had a bigger impact on theology than Dietrich Bonhoeffer a man who lived his faith and died at the hands of the Nazis For Bonhoeffer the theological was the personal life and faith deeply intertwined and to this day the world is inspired by that witness Yet the true story of the women in this remarkable man s life has until now been obscured by a conventional narrative that has distorted their role Using primary source material by the women and even including the first ever photo of alleged first fiancée Elisabeth Zinn this book sees these women fully for the first time A highly readable but scholarly work of narrative nonfiction The Doubled Life places Bonhoeffer s theology of love and sexuality
