Authentic Conversations James D. Showkeir, 2009-02-18 In this book we hope to create for you an awareness of how daily conversations create reveal sustain or change organizational culture We explore the significant role culture has in facilitating healthy relationships and creating business results Our premise is that true and lasting changes to organizational culture cannot occur unless people understand how traditional conversations stymie growth and erode commitment We explore the issues rooted in questions such as How does the organization move from a parent child culture to an adult adult culture How can you recognize the damage caused by manipulative conversations How can you learn to engage in authentic conversations based on collaboration and partnership How do you eliminate traditional leadership conversations aimed at caretaking and

control How can you engage people in ways that value their knowledge experience and contribution How can you create an organizational culture that maximizes the potential of the entire organization These questions and others addressed in this book are relevant to all organizations accountable for results today and in the foreseeable future Preface **The Spirit of Servant-leadership** Shann Ray Ferch,Larry C. potential threats or anticipating risks emerges as a critical organizational competence Organizations can regain lost reputations but recovery takes a long time Corporate Reputation contains both academic content along with practical contributions developed by those serving as consultants or working in organizations in the area of corporate reputation and its management or recovery It covers why corporate reputation matters the increase in reputation loss threats to corporate reputation monitoring reputation threats online and offline the key role of leadership in reputation recovery and making corporate reputation immune from threats Any book that is going to do justice to a subject that is so complex and intangible needs imagination depth and range and this is exactly what the contributors bring with them Restoring Sanctuary Sandra L.
