Books epub Language English Color Yes if the user s device supports color black and white images are equally beautiful Why you should read Starts where most stories end Both the boy s and the girl s PoVs two equally important main characters Script style for easy read Feels like you re reading a manga or watching an anime Realistic plot without super powers and magic Lots of funny and ecchi situations CLASHING FEELINGS II Note This is the fourth volume of the highly praised Clashing Feelings series and the first one in the sequel Even if you haven t read the original you can still appreciate this sequel Both stories have a satisfying beginning middle and end and can be read independently But to avoid spoilers and enhance the fun it s recommended that you read the previous 3 volumes first The story resumes right after that great finale of the previous season That s right Tarou and Sachiko are back And things have just leveled up Sachiko got a boyfriend Tarou got a girlfriend But they won t live happily ever after just yet If you thought that the hard part was already behind them make no mistake they have just cleared the first level What to do on a romantic date How to avoid those awkward silences How to control your lust They have to learn how to date very quickly or things could get out of hand This is the second stage and usually the second level is even harder The quarrels just levelled up and will continue in this sequel Exactly like the prequel this is the first of 3 volumes written and beautifully illustrated in the same style as before It s difficult to pick which one is better One thing you can be sure of though if you loved the original you ll love this sequel
