Life's a Puzzle Brenda McClairenen, 2018-01-22 Separate pieces fit together to reveal the picture God had intended. Life's a Puzzle is a true story about being given a great life where with hard work dreams come true. Everything was going according to Brenda's plan. Then with the loss of her first husband her dreams died. Did love die too? She chose to have new dreams and found love again. This time she connects with a family that has plenty of ups and downs with good times and hurtful attacks. Brenda holds on to her past while looking ahead, sometimes getting jarred and shocked by the rough bumps. Brenda's journey leads to motherhood including a trip into the puzzling world of autism with lessons to learn at every turn. Looking through the contrasts of sadness and happiness, harmony and conflict, wonder and hope were found. Even when things were dark and pieces had flipped upside down, the picture was coming together, becoming beautiful. Brenda discovered incredible realities of life, coming to know without a doubt that love overcomes death and that life is so much more than we can see. She is amazed to find that God has truly been there in every place in every moment for everyone.
