Communion bell hooks, 2021-10-12 When truth teller and careful writer bell hooks offers a book I like to be standing at the bookshop when it opens Maya Angelou Renowned visionary bell hooks explored the meaning of love in American culture with the critically acclaimed bestseller *All About Love New Visions* She continued her national dialogue with the bestselling *Salvation Black People* and *Love Now* hooks culminates her triumphant trilogy of love with *Communion* The Female Search for Love Intimate revealing provocative *Communion* challenges every woman to courageously claim the search for love as the heroic journey we must all choose to be truly free In her trademark commanding and lucid language hooks explores the ways ideas about women and love were changed by the feminist movement by women's full participation in the workforce and by the culture of self help and reveals how women of all ages can bring love into every aspect of their lives for all the years of their lives *Communion* is the heart to heart talk every woman mother daughter friend and lover needs to have **The**

Racial Order Mustafa Emirbayer, Matthew Desmond, 2024-05-31 Proceeding from the bold and provocative claim that there never has been a comprehensive and systematic theory of race Mustafa Emirbayer and Matthew Desmond set out to reformulate how we think about this most difficult of topics in American life In *The Racial Order* they draw on Bourdieu Durkheim and Dewey to present a new theoretical framework for race scholarship Animated by a deep and reflexive intelligence the book engages the large and important issues of social theory today and along the way offers piercing insights into how race actually works in America Emirbayer and Desmond set out to examine how the racial order is structured how it is reproduced and sometimes transformed and how it penetrates into the innermost reaches of our racialized selves They also consider how and toward what end the racial order might be reconstructed In the end this project is not merely about race it is a theoretical reconsideration of the fundamental problems of order agency power and social justice *The Racial Order* is a challenging work of social theory institutional and cultural analysis and normative inquiry **Love and Space in**

Contemporary African Diasporic Women's Writing Jennifer Leetsch, 2021-07-16 This book sets out to investigate how contemporary African diasporic women writers respond to the imbalances pressures and crises of twenty first century globalization by querying the boundaries between two separate conceptual domains love and space The study breaks new ground by systematically bringing together critical love studies with research into the cultures of migration diaspora and refuge Examining a notable tendency among current black feminist writers poets and performers to insist on the affective dimension of world making the book ponders strategies of reconfiguring postcolonial discourses Indeed the analyses of literary works and intermedia performances by Chimamanda Adichie Zadie Smith Helen Oyeyemi Shailja Patel and Warsan Shire reveal an urge of moving beyond a familiar insistence on processes of alienation or rupture and towards a new reparative emphasis on connection and intimacy to imagine possible inhabitable worlds *Music in Black American Life, 1945-2020*, 2022-08-23 This second volume of *Music in Black American Life* offers research and analysis that originally

The Foundations of the Aarhus Convention Emily Barritt,2020-10-29 This important new monograph offers an innovative new analysis of the Aarhus Convention Environmental law is dense with monolithic concepts from environmental democracy to intergenerational justice from sustainable development to stewardship Each concept generates its own mythology about what environmental law should aspire to Sometimes these ideas become so big that we lose hold of their meaning and therefore what we allude to when we describe environmental law in such terms No more so is this true than in relation to the Aarhus Convention an ambitious instrument of environmental law that promotes public participation and access to justice in relation to the environment Since its inception it has been revered in glowing terms and praised variously for its contribution to citizenship environmental responsibility and democratic legitimacy But how are we to know whether these descriptions are mere puffs or genuine statements about the Convention s character This book digs deep into the foundations of the Aarhus Convention examining its ambitious potential through the lens of three foundational purposes environmental rights democracy and stewardship In so doing it contributes to our understanding both of the Convention and our understanding of three important purposes that inhabit environmental law unravelling and reassembling them to build meaning into our broad brush descriptions

All About Love bell hooks,2001-01-09 The word love is most often defined as a noun yet we would all love to better if we used it as a verb writes bell hooks as she comes out fighting and on fire in All About Love Here at her most provocative and intensely personel the renowned scholar cultural critic and feminist skewers our view of love as romance In its place she offers a proactive new ethic for a people and a society bereft with lovelessness As bell hooks uses her incisive mind and razor sharp pen to explode th question What is love her answers strike at both the mind and heart In thirteen concise chapters hooks examines her own search for emotional connection and society s failure to provide a model for learning to love Razing the cultural paradigm that the ideal love is infused with sex and desire she provides a new path to love that is sacred redemptive and healing for the individuals and for a nation The Utne Reader declared bell hooks one of the 100 Visionaries Who Can Change Your Life All About Love is a powerful affirmation of just how profoundly she can
