Classical Painting Atelier Juliette Aristides, 2011-11-15 Want to paint more like Manet and less like Jackson Pollock? Students of art hailed Classical Drawing Atelier Juliette Aristides's first book as a dynamic return to the atelier educational model. Ateliers popular in the nineteenth century teach emerging artists by pairing them with a master artist over a period of years. The educational process begins as students copy masterworks then gradually progress to painting as their skills develop. The many artists at every level who learned from Classical Drawing Atelier have been clamoring for more of this sophisticated approach to teaching and learning. In *Classical Painting Atelier* Aristides a leader in the atelier movement takes students step by step through the finest works of Old Masters and today's most respected realist artists to reveal the principles of creating full color realist still lifes portraits and figure paintings.
