Alicia Gimenez Bartlett:

Prime Time Suspect Alicia Giménez Bartlett, 2007 Book Four in the Petra Delicado series In this new installment in the Petra Delicado series Alicia Giménez Bartlett proves once more why she was named the best female writer in Spain and gives further evidence for the success of this series both in her native country and abroad A detested television journalist who specialized in muckraking has been murdered and it looks like the work of a professional killer When the detectives who began the investigation are reassigned to another celebrity murder the case is handed to Inspector Petra Delicado and Sergeant Fermin Garzn But the two murders may be more closely linked than they seem and before long Delicado and Garzn find themselves drawn into the world of show business and high society where public and private lives meet in an explosive and deadly mix and belligerent celebrities can sometimes get away with murder Hardnosed Inspector Delicado and sentimental Sergeant Garzn prove themselves to be as endearing as ever as they shuttle between Barcelona and Madrid on the trail of the hit man and his employer with their personal lives becoming more entangled with every airport and hotel bar As the heat the body count and the frequent flyer miles all increase the Inspector and her sidekick will have to remind themselves that work and pleasure just don't mix

Dog Day Alicia Giménez Bartlett, 2006 In this hardboiled fiction for dog lovers and lovers of dog mysteries detective Petra Delicado and her maladroitness sidekick Garzon investigate the murder of a tramp whose only friend is a mongrel dog named Fright One murder leads to another and Delicado finds herself involved in the sordid dangerous world of fight dogs

Death Rites Alicia Giménez Bartlett, 2008 Petra Delicado a Barcelona police inspector assigned to a desk job returns to the homicide department to investigate the rapes of young girls by a serial rapist who only leaves a circular mark on his victims forearms

Policing Gender and Alicia Giménez Bartlett's Crime Fiction Dr Nina L. Molinaro, 2015-10-28 Alicia Giménez Bartlett's popular crime series organized around the exploits of Police Inspector Petra Delicado and Deputy Inspector Fermín Garzn is arguably the most successful detective series in Spain of the last three decades Nina L Molinaro examines the tensions between the rhetoric of gender differences espoused by the woman detective and the orthodox ideology of the police procedural and she situates her discussion in Petra Delicado's contemporary Spain of dog owners Hola Russian cults and gated communities

Naked Men Alicia Giménez-Bartlett, 2018-10-16 The Planeta Prize winning novel from the author of the Petra Delicado series A highly literate noir a powerful tale of lives spiraling out of control NB magazine Irene's husband has left her for a younger woman and her family business is on the verge of collapse but the last thing she wants is to be the subject of gossip or pity So she starts spending time with a divorcee who in liberating herself from the bonds of marriage has also freed herself from the clutches of the old crowd of couple friends Javier is a literature teacher who suddenly loses his job at a Catholic school He's not ambitious the months go by and no work materializes Then almost by accident he gets back in contact with a cocky friend from his youth who introduces him to the world of stripping and male prostitution Circumstance brings Irene and Javier

together he gets some extra cash and mental stimulation out of their relationship and she finds an outlet for her frustrations. However Irene doesn't want to have sex with him; she just wants to see him naked, humiliated, dominated. Their relationship takes a troubling turn but things may be even more complicated than they seem. Alicia Giménez Bartlett weaves a tale of economic and personal devastation portraying the ways that life's disappointments can bring people to do things they never would have imagined. *Incendiary* This provocative dive into gender power and class uses diverse viewpoints to craft a powerful story and an unpredictable, memorable ending. Publishers Weekly: A stark realist portrait of characters who are searching for their place in a world without redemption. Culturamas

Policing Gender and Alicia Giménez Bartlett's Crime Fiction Nina L. Molinaro, 2016-03-03 Alicia Giménez Bartlett's popular crime series written in Spanish and organized around the exploits of Police Inspector Petra Delicado and Deputy Inspector Fermín Garzón is arguably the most successful detective series published in Spain during the previous three decades. Nina L. Molinaro examines the tensions between the rhetoric of gender differences espoused by the woman detective and the orthodox ideology of the police procedural. She argues that even as the series incorporates gender differences into the crime series formula, it does so in order to correct women's naturalization of men's authority, sanction social hierarchies, and assuage collective anxieties. As Molinaro shows, with the exception of the protagonist, the women characters require constant surveillance and modification, often as a result of men's supposedly intrinsic protectiveness or excessive sexuality. Men, by contrast, circulate more freely in the fictional world and are intrinsic to the political, psychological, and economic prosperity of their communities. Molinaro situates her discussion in Petra Delicado's contemporary Spain of dog owners, Russian cults, and gated communities.

Sin muertos Alicia Giménez Bartlett, 2020-09-29 El nuevo caso de Petra Delicado es ella misma: una joven inconformista se enrola en una misión reservada a los hombres. Haber nacido en mi generación te impone unos preceptos que asumas sin rebeldía. A caballo entre el pasado franquista y la modernidad, te tocaba apegarse a la moral católica para la que la pérdida de tiempo y de talentos era el peor pecado que se puede cometer. La inspectora de policía decide poner distancia con su vida pasada para recordar su pasado a fin de tomar las riendas del presente. Con su particular mirada repasa su vida desde la niñez aplicada a la que expulsan de un colegio de monjas pasando por la joven universitaria antifranquista que al casarse cambia de rumbo hasta que decide romper con todo y ser una de las primeras mujeres en ingresar en el cuerpo de Policía. Petra Delicado convierte su propia vida en un caso irresistible donde el descubrimiento y la peripecia corren paralelas a una visión

inclemente de la familia las costumbres la autoridad el sexo y el amor **Exit** Alicia Giménez Bartlett,1984 **Días de amor y engaños** Alicia Giménez Bartlett,2006 La convivencia en una pequeña comunidad de ingenieros españoles en el extranjero se desmorona tras desvelarse la relación que ha mantenido uno de ellos con la esposa de otro En unos pocos días todo el frágil entramado de complicidades de pequeñas hipocresías y de deseos contenidos de los miembros de la colonia se vendrá abajo y saldrá a la superficie un mundo de sexo engaños y sueños largamente incumplidos
