Jennifer Miller

All About Banned Books A Short History For Kids:

The Transformative Potential of LGBTQ+ Children's Picture Books Jennifer Miller, 2022-05-23 2023 CHOICE

Outstanding Academic Title In The Transformative Potential of LGBTQ Children's Picture Books Jennifer Miller identifies an archive of over 150 English language children's picture books that explicitly represent LGBTQ identities expressions and issues This archive is then analyzed to explore the evolution of LGBTQ characters and content from the 1970s to the present Miller describes dominant tropes that emerge in the field to analyze historical shifts in representational practices which she suggests parallel larger sociocultural shifts in the visibility of LGBTQ identities Additionally Miller considers material constraints and possibilities affecting the production distribution and consumption of LGBTQ children's picture books from the 1970s to the present This foundational work defines the field of LGBTQ children's picture books thoroughly yet accessibly In addition to laying the groundwork for further research The Transformative Potential of LGBTQ Children's Picture Books presents a reading lens critical optimism used to analyze the transformative potential of LGBTQ children's picture books Many texts remain attached to heteronormative family forms and raced and classed models of success However by considering what these books put into the world as well as problematic aspects of the world reproduced within them Miller argues that LGBTQ children's picture books are an essential world making project and seek to usher in a transformed world as well as a significant historical archive that reflects material and representational shifts in dominant and subcultural understandings of gender and sexuality

Supporting Students' Intellectual Freedom in Schools: The Right to Read

Sachdeva, Danielle E., Hull, Samantha L., Kimmel, Sue C., Whitaker, Westry A., 2023-12-21 In today's developing view of education a disquieting trend looms the erosion of students right to choose what they read This erosion fueled by an alarming surge in censorship attempts casts a shadow over the very essence of intellectual exploration Recent years have witnessed an unprecedented number of challenges aimed at restricting access to books targeting themes that embrace human diversity inclusivity and the tapestry of life itself As educators administrators and scholars grapple with this critical juncture Supporting Students Intellectual Freedom in Schools The Right to Read serves as a comprehensive resource they can turn to for support and knowledge This book is a call to action resonating with teachers school librarians administrators and scholars who refuse to let censorship erode the foundations of education As censorship attempts proliferate its chapters offer fortification providing educators at all levels with the tools to safeguard students intellectual freedom From the hallowed halls of academia to the vibrant classrooms of K 12 the insights within these pages shape curricula conversations and a collective commitment to nurturing minds that thrive on diversity and inquiry In a world clamoring for unwavering advocates of intellectual freedom Supporting Students Intellectual Freedom in Schools is not just a solution it is a declaration of resolute solidarity in the pursuit of knowledge and the unassailable right to read

Banned Books for Kids American Library Association (ALA), 2023-09-18 From the American Library Association comes an expansive guide to teaching banned books to

children at home or in the classroom with a forward by renowned children's author Judy Blume Books matter In our polarized environment the censorship and outright banning of children's books remains a major concern for libraries The American Library Association an intellectual freedom champion has created this illuminating and expansive guide for book lovers who hope to teach children the importance of banned literature With a focus on modern books that have been banned along with classic literature that continues to be under attack for political or religious reasons Teaching Banned Books to Kids will educate adults and children about the importance of books With useful tools and techniques caregivers and educators will find the best ways to talk about banned books to children

[Anti-Racism in Early Childhood Education](#) Kerry-Ann Escayg, Flóra Faragó, Terry Husband, This comprehensive and timely text explains the need for and application of anti racist teaching with children birth age 8 Systemic racism remains a longstanding social economic and cultural reality in the United States Canada and beyond By actively implementing the anti racist strategies in

this book early childhood educators can create learning environments that are not only inclusive and equitable but that also help young children develop a strong understanding of race and racism so they can become agents of social change Moving beyond theorizing anti racism and whiteness chapters provide actionable guidance to help readers identify and resist racism in early years teaching A diverse group of over 35 contributors offer insights on children s racial knowledge classroom practices that cultivate children s racial pride and agency anti racist teacher preparation and more This valuable teaching resource will help readers take direct and intentional action against racist behaviors practices policies and beliefs to dismantle and interrupt racism within and beyond their early learning environments Book Features Explores why anti racist curricula and practices are needed in early childhood classrooms now more than ever Offers examples of anti racist teaching strategies such as how to choose multicultural books find alternative spaces and time to challenge whiteness use Afro centric curricula and make use of digital technology Incorporates creative expressions such as fiction poetry photo stories and childhood reflections Looks at recent applications of anti racist pedagogy to teacher preparation and professional development training Advocates for an anti racist early childhood education that explicitly names race and racism and works toward reconstructing early years systems policies and practices

Historical Dictionary of Children's Literature Emer O'Sullivan,2023-04-24 History is constantly evolving and the history of children s literature is no exception Since the original publication of Emer O Sullivan s Historical Dictionary of Children s Literature in 2010 much has happened in the field of children s literature New authors have come into print new books have won awards and new ideas have entered the discourse within children s literature studies Historical Dictionary of Children s Literature Second Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 700 cross referenced entries This book will be an excellent resource for students scholars researchers and anyone interested in the field of children s literature studies

Not Another Banned Book Dana Alison Levy,2025-09-23 A ripped from the headlines middle grade novel about a group of students who must fight book banning at their school to save their club and their world as they know it No matter what was going on in Molly s life at home she always had book club at school Whether she s dealing with a death in the family or her parent s breaking the news they want to move she is able to read a new book and escape life even if it is just for a little bit But when someone anonymously notifies school boards about a controversial book in the classroom her favorite teacher Ms Lewsiton is suspended and book club is a banned for the immediate future With weeks until graduation Molly has never felt more lost She knows she needs to do something anything to prove to everyone that the books they read with Ms Lewsiton are more important than the adults may realize With her group of friends Molly will fight to save her book club from writing their favorite author to protests on the football field Molly will discover that standing up for what you believe in is only half the battle but will she find she is fully ready to make a change for readers just like her

Children's Human Rights in the USA Yvonne Vissing,2023-07-19 This book critically examines why a human rights framework would

improve the wellbeing and status of young people It explores children s rights to provision protection and participation from human rights and clinical sociological perspectives and from historical to contemporary events It discusses how different ideologies have shaped the way we view children and their place in society and how despite the rhetoric of children s protection people under 18 years of age experience more poverty violence and oppression than other group in society The book points to the fact that the USA is the only member of the United Nations not to ratify a children s human rights treaty and the impact of this decision finds US children less healthy and less safe than children in other developed countries It shows how a rights respecting framework could be created to improve the lives of our youngest citizens and the future of democracy Authored by a renowned clinical sociologist and international human rights scholar this book is of interest to researchers students social workers and policymakers working in the area of children s wellbeing and human rights *The Weaponizing of Language in the Classroom and Beyond* Kisha C. Bryan,Luis Javier Pentón Herrera,2023-12-04 In this edited volume language weaponization or the weaponization of language is used to describe the process in which words discourse and language in any form can be used to inflict harm on others The term harm is of vital importance because it refers to how specific groups of people are affected by ideologies and practices that normalize inequity and injustice in their environments The contributions in this book explore how language ideologies practices and policies can physically emotionally socially and or economically disadvantage or harm minoritized individuals as well as their cultures and languages *The War on Critical Race Theory* David Theo Goldberg,2023-04-03 Critical Race Theory is consuming conservative America The mounting attacks on a once obscure legal theory are upending public schooling legislating censorship driving elections and cleaving communities In this much needed response renowned scholar David Theo Goldberg cuts to the heart of the claims expressed in these attacks He punctures the demonization of Critical Race Theory uncovering who is orchestrating it funding the assault and eagerly distributing the message The book richly illustrates the enduring nature of structural racism even as a conservative insistence on colorblindness serves to silence the possibility of doing anything about it Crucially Goldberg exposes the political aims and effects of the vitriolic attacks The upshot of CRT s targeting he argues has been to unleash racisms anew and to stymie any attempt to fight them all with the aim of protecting white minority rule Also available as an audiobook

This is likewise one of the factors by obtaining the soft documents of this **All About Banned Books A Short History For Kids** by online. You might not require more grow old to spend to go to the ebook inauguration as capably as search for them.
