Austin,2012-08 The most powerful shaman of the People of the Bear Mother invites a young woman to take her soul's great adventure by painting a new piece of animal art on the walls in the deepest chambers of the awesome Great Cave The time has come for Little Bear to make the life altering choice to overcome her fear of the terrifying old shaman and in doing so unalterably change all the lives her soul will subsequently experience even as her lion eye reappears in each lifetime to identify her avatar But before she may embark on her hero's journey she must be initiated as hunter and then as Seer through trials ordeals and the revelations of her people's mythology expressed in the art of the Cave The tale builds to an unexpected climax as one soul experiences many lifetimes in a hunting culture where being born female or male homosexual or heterosexual young or old are equally valid ways of being human Inspired by the work of Joseph Campbell and the artwork of France's 35 000 yearold Chauvet Cave the novel takes a fresh look at and is a new take on the life ways and religion of our earliest ancestors through Little Bear's encounters with shamans hunters avatars and painted caves This story reveals that the spiritual messages hidden within this magnificent incredibly ancient art are the same metaphysical beliefs of the New Age and the same universal human truths at the heart of every world religion and mystical philosophy 2011 Book Competition Finalist Awards USA Best Book Awards for New Age Fiction IBA for Chick Lit Women's Fiction IBA for Gay Lesbian Fiction **The Ugly Green book of 12 things I would tell my 12-year-old self** Michelle Kuehn,2023-04-22 If you could go back in time to your younger self your 12 year old self what great advice would you impart Would you be able to change the direction of your life directly impacting the axel of your destiny through wisdom The wisdom that can only be learned through adulthood Well the author of The Ugly Green book of 12 things I would tell my 12 year old self Michelle Kuehn believes that you can alter your destiny That if you knew some of the hard facts about people love and betrayal then you would think differently and make better choices In this short self help book Michelle reveals 12 secrets to a more fulfilled life free from the chains of society Each of the 12 gems is more captivating than the last with a fresh new take on Robert Greene's Laws of Human Nature Michelle holds nothing back with her no nonsense life hacks from don't get a degree people don't need to like you to failing is eminent Her writing style can make you feel like you are sitting with a friend over a cup of coffee getting some advice on your career or relationship She introduces a new lesson in every chapter drawing from her own experiences to explain the method behind her madness Written in a conversational style you will be able to digest every nugget in a quick and energising bite Michelle compares her lessons to getting some roadside assistance on this journey we call LIFE and hopes with this simple road map that she can help anyone from any age sit back and enjoy the ride **Stupid People and Why You Cannot Have Nice Things** Ciliguse Stultus,2020-11-17 Stupid people are everywhere constantly ruining everything Politics religion science and social interactions are broken by stupid behavior so often that good sense is the exception rather than the rule in any of them

Sometimes we are the stupid people doing all of that Even the allegedly brightest among you have likely reduced much of the world down to an overly simplistic all or nothing mentality that will only get you so far at most to the presidency This book is evidence free refusing to scare you with any pesky research that you will not understand After luring you in I will kick you in the pants and insult you mercilessly because nobody else has ever told you the plain old truth about anything Seriously somebody should tell you No and mean it at least once a day If you are already a parent who really takes part in raising kids you can disregard this last part This book refuses to fix you because digits and pieces of paper do not do such things Instead I will explain why you may be unhappy due to your unquestioning acceptance of incredibly stupid childish assumptions If you are unhappy you may find reasons for happiness here but that will be mainly because you will notice how much better you feel after the kicks in the butt have stopped
