All Things To All Cultures Paul Among Jews Greeks And Romans:

All Things to All Cultures Mark Harding, Alanna Nobbs, 2013-11-28 All Things to All Cultures sets Paul in his first century context and illuminates his interactions with Jews Greeks and Romans as he spread the gospel in the Mediterranean world In addition to exploring Paul s context and analyzing his letters the book has chapters on the chronology of Paul s life the text of the Pauline letters the scholarly contributions to our understanding of Paul over the last 150 years and the theology of the Pauline corpus There is no comparable introduction to Paul that integrates the Jewish Greek and Roman influences on him and the letters that make up a substantial portion of the New Testament Contributors Mike Bird Cavan Concannon David Eastman Chris Forbes Mark Harding Tim Harris Jim Harrison Paul McKechnie Brent Nongbri Ian Smith Murray Smith Larry Welborn

The Many Deaths of Peter and Paul David L. Eastman, 2019-05-02 The early accounts of one of the most famous scenes in Christian history the death of Peter do not present a single narrative of the events for they do not agree on why Peter requested to die in the precise way that he allegedly did Over time historians and theologians have tended to smooth over these rough edges creating the impression that the ancient sources all line up in a certain direction This impression however misrepresents the evidence The reason for Peter s inverted crucifixion is not the only detail on which the sources diverge In fact such disagreement can be seen concerning nearly every major narrative point in the martyrdom accounts of Peter and Paul The Many Deaths of Peter and Paul shows that the process of smoothing over differences in order to create a master narrative about the deaths of Peter and Paul has distorted the evidence This process of distortion not only blinds us to differences in perspective among the various authors but also discourages us from digging deeper into the contexts of those authors to explore why they told the stories of the apostolic deaths differently in their contexts David L Eastman demonstrates that there was never a single unopposed narrative about the deaths of Peter and Paul Instead stories were products of social memory told and re told in order to serve the purposes of their authors and their communities The history of the writing of the many deaths of Peter and Paul is one of contextualized variety

Paul, Then and Now Matthew V. Novenson, 2022-05-05 Reckoning with the hermeneutical struggle to make sense of Paul as both a historical figure and a canonical muse Matthew Novenson has become a leading advocate for the continuing relevance of historical critical readings of Paul even as some New Testament scholars have turned to purely theological or political approaches In this collection of a decade s worth of essays Novenson puts contextual understandings of Paul s letters into conversation with their Christian reception history After a new programmatic introductory essay that frames the other eleven essays Novenson explores topics including the relation between theology and historical criticism the place of Jews and gentiles in Paul s gospel Paul s relation to Judaism the relevance of messianism to Paul s Christology Paul s eschatology in relation to ancient Jewish eschatologies the aptness of monotheism as a category for understanding antiquity the reception of Paul by diverse early Christian writers the peculiar place of Protestantism in the modern study of Paul the debate over the recent Paul within Judaism movement

anti Judaism in modern New Testament scholarship disputes over Romans and Galatians the meta question of what it would mean to get Paul right or wrong Engaging with numerous schools of thought in Pauline studies Augustinian Lutheran New Perspective apocalyptic Paul within Judaism religious studies and more while also rising above partisan disputes between schools Novenson illuminates the ancient Mediterranean context of Paul s letters their complicated afterlives in the history of interpretation and the hermeneutical struggle to make sense of it all Jewish-Christian Relations Abel Mordechai Bibliowicz, 2019-03-01 I am in fundamental agreement with Bibliowicz s thesis that the anti Jewish polemic in the New Testament reflects debates between Jewish and Gentile followers of Jesus not a polemic between Christians and Jews and with the implications which he has drawn for Christian theology May this book find a wide readership among people devoted to the cause of the healing of memories between Jews and Christians Peter C Phan Professor Chair of Catholic Social Thought Georgetown University President of the Catholic Theological Society of America Standing on a brilliant and insightful reconstruction of Paul and on a quite shocking but perhaps compelling reading of Mark the author offers a number of original and in some cases quite compelling theoretical reconstructions of the context and purposes of early Christian texts a work of sublime moral passion David P Gushee Distinguished University Professor of Christian Ethics and Director Center for Theology and Public Life Mercer University President elect American Academy of Religion Author of Kingdom Ethics Following Jesus in Contemporary Context An intrepid excursion into the Christian discourse The quest of an intellectual a humanist Interesting and in fact overwhelming A timely and honest engagement of the Christian texts authors and scholars by a Jewish intellectual Burton L Mack Professor of Early Christianity Claremont School of Theology California author of A Myth of Innocence Mark and Christian Origins There is great merit to Bibliowicz s approach I highly recommend this book for anyone interested in the Jewish Christian dialogue Scholars may disagree with a number of Bibliowicz conclusions as I do with his interpretation of the Epistle to the Hebrews But even in disagreeing scholars in the field of Jewish Christian studies will learn new ways of challenging and thinking about old presumptions Eugene J Fisher Distinguished Professor of Theology Saint Leo University Former staff person for Catholic Jewish relations for the U S Conference of Catholic Bishops Consultor to the Vatican Commission for Religious Relations with the Jews member of the International Catholic Jewish Liaison Committee representing the Holy See An important work Sensitive and deeply researched In the deepest sense a profound theological work Clark M Williamson Professor Christian Theological Seminary Indiana author of Way of Blessing Way of Life A Christian Theology I very much appreciated the depth and scope of the scholarship accompanied by the kind and humble spirit of the author it may also prove to be one of the formidable and formative scholarly contributions of the decade for both biblical and historical scholars Michael Thompson Professor Religious Studies Oklahoma State University In methodical and precise fashion Bibliowicz takes the reader through the relevant ancient Christian texts bearing on the question at hand In so doing he proposes an intriguing compelling thesis The book should prove to be a major voice in the ongoing debate Brooks
