It's easy. Because Bruce Jenner shoes come in narrow, medium and wide — unlike most action shoes which claim that "one-width-fits-all."

New styles, too. Like the gray jogger with silver reflective strip for night time athletes. Plus three more, in soft leather, suede and nylon. All with cushioned insoles and rubber soles for better flex and grip.

Designed by Roblee. For Olympic Gold Medal winners...or weekend athletes like you and Bruce.

performed today Outsiders is filled with stories that demand attention stories of people whose search for identity has cast them to the margins Their stories reveal that we need to refresh our vision of civil rights Taking its cue from religious discrimination law Outsiders proposes two major changes to civil rights law The first is a right to personality Identity comes from within The goal of civil rights law should be to take people as they come to let each of us determine who we are and how we relate to the world around us The second change is a shift in how the law responds to discrimination The critical question driving equality law should be whether there is space to accommodate a person s identity Accommodations are about respecting difference not erasing it Accommodations are a way to bring outsiders in Outsiders seeks to change the way we think about identity equality and discrimination It argues that difference not sameness should be the cornerstone of civil rights Mixing doctrine and theory art and personal narrative Outsiders proposes a civil rights for everyone Being different is universal We are all outsiders
