Bruce Jenner Petition:

Developing Transformative Spaces in Higher Education Sue Jackson, 2018-03-19 Higher education has been presented as a solution to a host of local and global problems despite the fact that learning and assessment can also be used as mechanisms for exclusion and social control *Developing Transformative Spaces in Higher Education* Learning to Transgress demonstrates that even when knowledge may appear to be the solution it can be partial and disempowering to all but the dominant groups The book shows the need to contest such knowledge claims and to learn to transgress rather than to conform It argues that transformative spaces need to be found and that these should be about the creation of new opportunities ways of knowing and ways of being Working in and through spaces of transgression the contributors to this volume develop frameworks for the possibilities of transformative spaces in learning and teaching in higher education The book critiques the ways in which Western higher education culture determines the academic agenda in relation to dialogue on social differences minority groups and hierarchical structures including issues of representation among different groups in the population It also explores the personal and political costs of transgression and outlines ways in which transitions can be transformative The book should be of interest to academics researchers and postgraduate students engaged in the study of higher education education studies teacher training social justice and transformation It should also be essential reading for practitioners working in post compulsory education

When Women Stood Alexandra Allred, 2023-02-08 An unapologetically candid and illuminating history of women and their fight for equality told through the influential world of sports From early Amazons to modern day athletes women have been fighting for their rightful place in the world The history of these female athletes whether warriors on the battlefield or competitors in the sports arena has often been neglected yet it is through sports that women have changed society gaining entry into education travel politics and more *When Women Stood* is an eye opening chronicle of the amazing women who refused to accept the status quo and fought for something better for themselves and for those who would follow Featuring exclusive insight from athletes such as Jackie Joyner Kersee Kathrine Switzer Nancy Lieberman Briana Scurry and Nancy Hogshead Maker this book includes the stories of female football players Olympic athletes powerlifters and soccer stars of historians archeologists crusaders and scientists Women s sports history cannot be told without also telling the story of the fight for gender and racial equality economics medical biases gay and transgender history violence religion media abuse and activism *When Women Stood* is the first to go beyond the record books and gold medal counts to truly dig into the vital role women and sports have played in instigating change in society as a whole And it shows that despite seemingly unsurmountable odds the true spirit of the female athlete can never be restrained
