**Charleville Mansion** Sahil Sharma, 2021-08-09 The sound was clearly that of water trickling, and I set it down to rain. A shower I told myself had filled the water pipes which drained the roof. Somehow I could not fix the sound. There was a water pipe against the wall just outside the window. I rose and drew up the blind. To my astonishment, no rain was falling, no rain had fallen. I felt the slate window still, some dew had gathered there, no more. There was no wind, no cloud, only a still moon high over the Shimla Hills. I went back to bed and listened again. Yes, the trickling sound continued, quite distinct in the silence of the house, not to be confused for a moment with the dull murmur of the pine trees. After a while it began to grate on my nerves. I caught up my candle, flung my dressing gown about me, and stole softly downstairs. Despite the chilliness of the night, there was something in the air. I jogged along the walk to the driveway and stepped around to the driver's side. Go ahead, I felt a strange sensation. The echoes of his voice died away slowly, all over the car. With thrilling twists and turns, read the story for some spine-chilling adventures with the spirits of Shimla. Here is a book that dims the light around you, that carries you relentlessly into the centre of its spell. A book that will make you afraid, almost too afraid to go on, and yet powerless to stop. Get ready to be spooked.

**Letters From The Open Road (Vol. 1)** Sidharth Sharotri, 2023-01-05 From the completely juvenile yet brilliant mind of Sidharth Sharotri comes a compilation of his serious automobile journalism work, which consisted of him driving posh cars and making up stories around them for newspapers. articles did make the reader giggle a little bit while making them wonder if they should chase their own childhood dreams
