And The Earth Did Not Devour Him Full Text:

...y no se lo trago la tierra / ...And the Earth Did Not Devour Him Tomàs Rivera, 2015-09-30 I tell you God could care less about the poor Tell me why must we live here like this What have we done to deserve this You re so good and yet you suffer so much a young boy tells his mother in Tom s Rivera s classic novel about the migrant worker experience Outside the chicken coop that is their home his father wails in pain from the unbearable cramps brought on by sunstroke after working in the hot fields The young boy can t understand his parents faith in a god that would impose such horrible suffering poverty and injustice on innocent people Adapted into the award winning film and the earth did not swallow him and recipient of the first award for Chicano literature the Premio Quinto Sol in 1970 Rivera s masterpiece recounts the experiences of a Mexican American community through the eyes of a young boy Forced to leave their home in search of work the migrants are exploited by farmers shopkeepers even other Mexican Americans and the boy must forge his identity in the face of exploitation death and disease constant moving and conflicts with school officials In this new edition of a powerful novel comprised of short vignettes Rivera writes hauntingly about alienation love and betrayal man and nature death and resurrection and the search for community

Tomàs Rivera Tomàs Rivera, 1995-06-30 Tom s Rivera quite possibly has been the most influential voice in Chicano literature Besides his masterpiece *y no se lo trag la tierra* And the Earth Did Not Devour Him included here is the sum total of his published works in English and Spanish as well as many that never made print in his lifetime

Chicana/o and Latina/o Fiction Ylce Irizarry, 2016-02-15 In this new study Ylce Irizarry moves beyond literature that prioritizes assimilation to examine how contemporary fiction depicts being Cuban Dominican Mexican or Puerto Rican within Chicana o and Latina o America Irizarry establishes four dominant categories of narrative loss reclamation fracture and new memory that address immigration gender and sexuality cultural nationalisms and neocolonialism As she shows narrative concerns have moved away from the weathered notions of arrival and assimilation Contemporary Chicana o and Latina o literatures instead tell stories that have little if anything to do with integration into the Anglo American world The result is the creation of new memory This reformulation of cultural membership unmask the neocolonial story and charts the conscious engagement of cultural memory It outlines the ways contemporary Chicana o and Latina o communities create belonging and memory of their ethnic origins An engaging contribution to an important literary tradition Chicana o and Latina o Fiction privileges the stories Chicanas os and Latinas os remember about themselves rather than the stories of those subjugating them NACCS Book Award National Association for Chicana and Chicano Studies 2018 MLA Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies Modern Language Association 2017

The Rhizomatic West Neil Campbell, 2008-12-01 Is the American West in Sergio Leone s spaghetti westerns the same American West we find in Douglas Coupland s Generation X In Jim Jarmusch s movies In Calexico s music Or is the American West as this book tells us a constantly moving mutating idea within a complex global culture And what precisely or better yet imprecisely does it mean Using Gilles Deleuze and Félix Guattari s concept of the rhizome Neil Campbell shows how the West or west ness continually breaks away from a mainstream notion of American rootedness and renews and transforms itself in various cultural forms A region long traversed by various transient peoples from tribes and conquerors to immigrants traders and trappers the West reflects a mythic quest for settlement permanence and synthesis even notions of a national or global identity at odds with its rootless history culture and nature Crossing the concept of roots with routes this book shows how notions of the West in representations ranging from literature and film to photography music and architectural theory give expression to ideas about identity nationhood and belonging in a world increasingly defined by movement across time and borders The Rhizomatic West offers a new vision of the American West as a hybrid performative space a staging place for myriad intersecting and constantly changing identities
