Balaban, 2018-01-01 A young boy from the housing estates comes across a copse of old oaks to which he can escape as to an oasis of calm Although he may forget about it once he becomes an adult and puts aside the things of childhood it will remain a locus of balance decades later for a single mother struggling with the difficulties of raising the child she loves A husband on the lip of an ugly divorce drives across town in the middle of the night to rescue his wife abandoned by her lover and then as she falls asleep in the car takes the long way home to prolong a moment such as he has not experienced in years An elderly doctor self diagnosed with Alzheimer's disease makes use of the few precious moments of consciousness granted him each morning to pass on to his grandson what he has learned about life and living responsibly Loss and permanence the ephemeral and the eternal are common themes of Jan Balaban's collection of short stories *Maybe We're Leaving* presented here in the English translation of Charles S Kraszewski With psychological insight that rivals the great novels of Fyodor Dostoevsky the twenty one linked narratives that make up the collection present us with everyday people with everyday problems and teach us to love and respect the former and bear the latter Translation of this book was supported by the Ministry of Culture of the Czech Republic *A Dream of Annapurna* Igor Zavilinsky, 2024-11-15

Although the two main characters in *A Dream of Annapurna* are Italian and the novel is set partly in Tuscany in many ways this is an international novel with people from France Italy America Russia Switzerland Spain China and Nepal playing small but important parts in the story The settings too range from Italy to New York Paris to Kathmandu and the lower slopes of Annapurna The novel is both historical and contemporary spanning a period of sixty years from 1955 to 2015 and combining both real life and fictional characters The major themes of the novel are universally human and include youth ambition age friendship fear bravery and love Overshadowing these human characteristics is an implacable natural world The mighty mountain Annapurna long the focus of the protagonists dreams comes to loom physically over them but even the permanence of the natural world is threatened by the horrific earthquake which hit Kathmandu on 25 April 2015 *Acropolis* Stanisław Wyspiański, 2017-09-10 Although he never left his native Kraków except for relatively short periods Stanisław Wyspiański 1869-1907 achieved worldwide fame both as a painter and Poland's greatest dramatist of the first half of the twentieth century *Acropolis* the Wawel Plays brings together four of Wyspiański's most important dramatic works in a new English translation

by Charles S Kraszewski All of the plays centre on Wawel Hill the legendary seat of royal and ecclesiastical power in the poet's native city the ancient capital of Poland In these plays Wyspiański explores the foundational myths of his nation that of the self-sacrificial Wanda and the struggle between King Bolesław the Bold and Bishop Stanisław Szczepanowski In the eponymous play which brings the cycle to an end Wyspiański carefully considers the value of myth to a nation without political autonomy soaring in thought into an apocalyptic vision of the future Richly illustrated with the poet's artwork Acropolis the Wawel Plays also contains Wyspiański's architectural proposal for the renovation of Wawel Hill and a detailed critical introduction by the translator In its plaited presentation of Bolesław the Bold and Skałka the translation offers for the first time the two plays in the unified composite format that the poet intended but was prevented from carrying out by his untimely death

The Secret History of my Sojourn in Russia Jaroslav Hašek, 2018-01-01 Jaroslav Hašek is known by readers around the world as the author of *The Good Soldier Švejk* one of the greatest comic novels of all time Not all of his fans are aware of his six-year anabasis in Russia however which began with his capture on the front lines of Galicia during the First World War *The Secret History of My Sojourn in Russia* translated by Charles S Kraszewski brings that fascinating period in Hašek's life to the attention of the English reader Comprised of fifty-two short stories and other writings from Hašek's stay in Sovietising Russia *The Secret History* collects the Bugulma stories in which Hašek trains his satirical eye on the infant communist utopia as well as non-fiction works by Hašek who played a not insignificant role in the progress of the Soviet Revolution in Siberia before his return to his native Czechoslovakia in the early 1920s These include propagandistic pamphlets and newspaper articles letters and official scripts dating from his agitation as a communist operative among Austro-Hungarian citizens stranded in the Soviet Union all of which provide a fascinating context for his good-humoured fiction which rivals his great novel in rollicking fun *The Secret History of My Sojourn in Russia* presents the reader with 52 of the most entertaining and chilling examples of his Russian period containing both humorous fiction and deadly serious propaganda Translation of this book was supported by the Ministry of Culture of the Czech Republic
