Oración transformadora: La disciplina abandonada por miles de cristianos (Spanish Edition) Joel Ferro, 2019-07-22 Las comunidades cristianas que tienen como guía espiritual a un hombre espiritual podrán llegar a ser iglesias espirituales Si su líder es un hombre de oración las iglesias serán iglesias de oración Dicho de otra manera Si no eres un pastor de oración no esperes que tendrás una iglesia de oración Si no eres una persona de ayuno no esperes que tu iglesia lo será Y si no eres un líder íntegramente espiritual no esperes que tu iglesia será una iglesia espiritual Mas la hora viene y ahora es cuando los verdaderos adoradores adoran al Padre en espíritu y en verdad porque también el Padre tales adoradores busca que le adoren Evangelio San Juan 4:23 Reflections through the Convex Mirror of Time / Reflexiones tras el Espejo Convexo del Tiempo E.A. Mares, 2022-08-15 In this poignant bilingual collection preeminent New Mexican poet E. A. Tony Mares posthumously shares his passionate journey into the broken heart and glimmering shadows of the Spanish Civil War whose shock waves still resonate with the political upheavals of our own times Mares engages in dialogue with heroes and demons anarchists and cardinals and beggars and poets He takes us through the convex mirror of history to the blood stained streets of Madrid Guernica and Barcelona He interrogates the assassins of Federico García Lorca for their crimes against poetry and humanity Throughout the collection the narrator is participant and commentator and his language is both lyrical and direct In addition to Mares's parallel Spanish and English poems the book includes a prologue by Enrique Lamadrid an introduction by Fernando Martín Pescador and an epilogue by Susana Rivera Lovingly shepherded and completed by friends and family this book will appeal to Mares enthusiasts and readers interested in poetry and history who will be glad to have this unexpected gift from a master's voice *Spanish - Applied New Testament Commentary* Stephen Thorson Tom Hale, Spanish Language Edition The Applied New Testament Commentary is an easy to read down to earth commentary on the text of the New Testament It can be used with any version of the Bible and includes bullet General Articles on important aspects of the Christian faith bullet An Introduction to each book of the New Testament bullet Word definitions bullet Clear explanations of Bible text bullet How to apply the Bible to everyday life Dr Tom Hale is an experienced medical missionary in Nepal and his commentary is essentially a missionary's commentary Although he has done his biblical homework and he thinks theologically he does not write from the ivory tower of academia His concern is rather for the grass roots of newly planted churches He is familiar with the problems they face and the questions they ask He wrestles with the need for cross cultural application He is committed to the unity of the church and urges us to give one another the liberty of interpretation in those secondary areas in which we disagree And his straightforward easy to read style includes both a simple vocabulary and short sentences Inevitably a one man commentary will not please everybody But he has struggled to rid himself of bias so that there is very much here for all Bible students to learn whatever their cultural or denominational background In fact the Applied New Testament Commentary should help to promote mutual understanding tolerance and respect among Christian
