Trriorities Rich Hatfield,2010-11-08 Ask yourself is there a better way to live TRIORITIES challenges you to make the effort to mentally step out of the game for a moment and to consider your life where it has brought you your priorities and where it will probably take you if you stay the course TRIORITIES will help you to consider if there might be a better way to live TRIORITIES is about a life of focus a life of balance and a life that you endeavor to live well and enjoy along the way Are you running from one task to the next but not enjoying any of it Are you climbing ladders only to find the view from the top less than appealing Then I challenge you to take a break from the treadmill of life to look at your life your choices your track record and ultimately your future Ask yourself am I who I want to be Am I all that God intended for me to be Have I tried to be too many things and failed to master any of them If that simple evaluation brings you to a point of realization that maybe there might be a better way to do things then just maybe this is a plan for you to consider TRIORITIES involves simple logic that challenges you to take a three step process to evaluate life develop a plan to become what you want to become and then implement that plan in your life Consider the value of simplicity in setting priorities in a complex world Consider simplicity from a standpoint of being focused on three areas of life that we truly need to properly invest ourselves in and mange accordingly The three priorities of the TRIORITIES lifestyle are God Family and Work *The Holy Court, in Five Tomes ... (The Angel of Peace to All Christian Princes.) Translated Into English by Sr T. H. [Thomas Hawkins] and Others* Nicolas CAUSSIN,1650

Martyr's Manual Wayne Brouwer,2019-05-28 Faith gets its most powerful definition from the New Testament book of Hebrews Yet this anonymous treatise tantalizes with both its lack of contemporary precision about faith s definition and its shrouded original context There are however sufficient clues in Hebrew s text to guide astute investigators toward a strange and yet familiar world of religious challenge in which the deeply significant rituals of ancient Israel the attractive moral character of first century Jews in Rome a crowd of disaffected righteous Romans and a purported Palestinian messiah converge to produce one of the world s most thoughtful courageous and brilliant calls to martyrdom In this careful pilgrimage along the author s meticulous development of a holy challenge to remain faithful to Jesus precisely because there are no meaningful alternatives Brouwer helps us find an inspiring and ever relevant call to faith we become the persons we are through the daily choices we make about Jesus and others
