The Theater of Tony Kushner James Fisher, 2021-09-30

The Theater of Tony Kushner is a comprehensive portrait of the forty-year-long career of dramatist Tony Kushner as playwright, screenwriter, essayist, and public intellectual and political activist Following an introduction examining the influences of Kushner's development as an artist, this updated second edition features individual chapters on his major plays including *A Bright Room Called Day*, *Hydriotaphia, or The Death of Dr Browne*, *Angels in America*, *Slavs! Thinking About the Longstanding Problems of Virtue and Happiness*, *Homebody*, *Kabul*, *Caroline or Change*, and *The Intelligent Homosexual's Guide to Capitalism and Socialism with a Key to the Scriptures* along with chapters on Kushner's adaptations, one-act plays, and screenplays including his two Academy Award-nominated screenplays *Munich* and *Lincoln* A book for anyone interested in theater, film, literature, and the ways in which the past informs the present, this second edition of *The Theater of Tony Kushner* explores how his writings reflect key elements of American society from politics and economics to race, gender, and spirituality, all with the hope of inspiring America to live up to its ideals

The Playwright's Muse Joan Herrington, 2013-05-13

August Wilson penned his first play after seeing a man shot to death Horton Foote began writing plays to create parts for himself as an actor Edward Albee faced commercial pressures to modify his scripts and resisted After Wit Margaret Edson swore off playwriting altogether and decided to keep her day job as a kindergarten teacher instead *The Playwright's Muse* presents never-before-published interviews with some of the greatest names of American drama, all recent winners of the Pulitzer Prize In these scintillating exchanges with eleven leading dramatists, we learn about their inspirations and begin to grasp how the creative process works in the mind of a writer We learn how their first plays took shape, how it felt to read their first reviews, and what keeps them writing for theater today Introductory essays on each

playwright's life and work written by theater artists and scholars with strong professional relationships to their subjects provide additional insight into the writers' contributions to contemporary theater

Tony Kushner James Fisher, 2006-04-21 Playwright Tony Kushner is a voice of intellectualism, neo-socialism, gay activism, and political outrage in an era when the political pendulum has swayed to the right. Through scalding humor, thought, and compassion, he explores political dynamics and the human condition in the modern era, shedding light on and giving hope for the direst of circumstances. His best-known work, *Angels in America*, delves beneath the anti-gay rhetoric and political superficiality of the AIDS pandemic to true suffering and transformation. His political epic *Homebody* engages the issue of terrorism and conflicting fundamental beliefs. In this book, 11 scholars explore the works of Tony Kushner across his career. Several address *Angels*: one explores the presentation of homosexuality by Kushner compared to that of Tennessee Williams, who wrote in a less tolerant era; another places *Angels* in the contexts of Hegel's concept of freedom and the gay revolution; a third discusses the play in terms of queer theory and politics. *Homebody* is examined in two essays: one analyzing media reaction, the other exploring cultural and economic differences, religious fundamentalism, and the West's luxurious predominance in the world. Other studies address relationships in Kushner's works to William Inge's 1950 play *Come Back Little Sheba*, the plays of experimentalist Adrienne Kennedy, and fascist creep in the era of playwrights W. H. Auden and Christopher Isherwood, among other topics.

Angels In America Part Two Perestroika Introduction

In today's digital age, the availability of Angels In America Part Two Perestroika books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Angels In America Part Two Perestroika books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Angels In America Part Two Perestroika books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Angels In America Part Two Perestroika versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Angels In America Part Two Perestroika books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Angels In America Part Two Perestroika books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent

resource for literature enthusiasts. Another popular platform for Angels In America Part Two Perestroika books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Angels In America Part Two Perestroika books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Angels In America Part Two Perestroika books and manuals for download and embark on your journey of knowledge?
