*The Animals' Agenda* ,1990 *A Lamp for the Dark World* Parvati Sharma,2023-05-15 Akbar the Great is a very familiar figure to most Indians Hailed as a brilliant warrior a great administrator and a visionary ruler whose ideas of pluralism and tolerance sought to unify India with all its diversity of peoples and religions he is also an increasingly contested figure in the national discourse And familiar though he might be Akbar is a mystery too locked in his own legend a man to admire but difficult to know What was Akbar really like as a child a father a friend a foe What were his moods like his anger his melancholy his passions and his laughter How did a thirteen year old fatherless boy surrounded by ambitious advisors and warlords become one of the world s most powerful monarchs and how did he deal with his dizzying rise Was Akbar a sceptic or did he believe he had divine miraculous powers With revealing psychological insights into Akbar s complex and magnetic personality this biography is also the story of how Akbar s ideas and ideals of kingship evolved through his reign of how he came to concentrate in himself both political and

religious authority of his instances of megalomania his doubts and his yearning for justice Rich in detail and with a cast of unforgettable characters it sparkles with humor and drama too as it vividly evokes the world he lived in Deeply researched and beautifully written Parvati Sharma s portrait of Akbar the Great brings alive as never before a man imperfect and extraordinary who ruled for fifty years and has lived in the Indian imagination for close to half a millennium School Library Journal ,2008 The Youth's Companion Nathaniel Willis,Daniel Sharp Ford,1898 Includes music **Forest and Stream** ,1889 **Youth's Companion** ,1891 Voice of Youth Advocates ,1984 *The Compact Edition of the Oxford English Dictionary* Sir James Augustus Henry Murray,1971 Micrographic reproduction of the 13 volume Oxford English dictionary published in 1933
