GENRE:
Dystopian Animal Fable

SETTING:
England

YEAR PUBLISHED:
1945

AUTHOR:
George Orwell

Animal Farm tells the story of the conflict that arises when a desire for freedom and equality is corrupted by the consolidation of political power amongst a select group. In Orwell's allegory of the Russian Revolution, the conflicts between the pigs, common animals, and humans are expressions of the underlying tension between the lofty ideals and harsh realities of socialism.

Plot Overview

Rising Action: The animals throw off their human oppressors and establish Animal Farm, the pigs of the farm, Snowball and Napoleon, and compete for power.

Climax: Napoleon runs Snowball off the farm with his pack of dogs and declares that the power to make decisions will be exercised solely by the pigs.

Falling Action: Squealer justifies Napoleon's actions with reinterpretations of Animalism, freedom and equality. Common animals spy the pigs, still hoping for a better future.

Major Conflict: The animals rebelled and oppressed, struggle against the pigs' totalitarian regime.

Main Characters

Snowball: A pig who is intelligent and idealistic. He is a strong supporter of Animalism and is one of the main leaders of the rebellion.

Benjamin: A donkey who is cynical and skeptical. He is one of the few animals who sees through the pigs' manipulations and is often the only one to speak the truth.

Old Major: A pig who is the inspiration for the rebellion. He is a wise and experienced animal who teaches the animals the principles of Animalism.

Napoleon: A pig who is cunning and ruthless. He is one of the main leaders of the rebellion and eventually becomes the sole ruler of the farm.

Mr. Jones: The human owner of the farm. He is a cruel and oppressive landlord who exploits the animals and is the main enemy of the rebellion.

Mr. Pilkington: The owner of the neighboring farm. He is a human who is initially friendly with the pigs but eventually becomes an enemy.

Squealer: A pig who is a skilled orator and is the main propagandist for the pigs. He is responsible for convincing the other animals of the pigs' actions and decisions.

Boxer: A hardworking and loyal horse who is the most powerful animal on the farm. He is a strong supporter of the pigs and is eventually betrayed by them.

Key Question and Answer

What is Animalism?

Napoleon, Snowball and Squealer develop Old Major's idea that animals have a right to freedom and equality into a complete system of thought, which they call Animalism. The central beliefs of Animalism are expressed in the Seven Commandments, painted on the wall of the barn. However, as the pigs seize more and more power, they change the Commandments painted on the barn. Until Animalism is reduced to a single principle which is virtually the opposite of Old Major's original idea: "All animals are equal but some animals are more equal than others."

What Does the Ending Mean?

At the end of *Animal Farm*, Pilkington and other human farmers come to eat dinner with the pigs at the farmhouse. As the other animals watch through the window, they find they are unable to tell pigs and humans apart. The pigs have started to dress and behave exactly like humans. The book's final message expresses the animals' realization that the pigs have become as cruel and oppressive as human farmers. The ending also makes the argument that political power is always the same, whoever has it and whatever ideology is used to justify it.
