Media, 2022-04-15T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was in a coma and I was aware of everything that was happening around me I was extremely excited to be free from the pain caused by the cancer that had ravaged my body I wanted my family to share my joy but they were instead fearful and anxious 2 I realized that even if my physical body stopped I still belonged I felt completely bathed in pure unconditional love and it made

me feel as though I d finally arrived 3 I was born in Singapore and I was raised in three different cultures I was afraid of my father but I admired and looked up to my brother I didn t question the values of my culture because I was too young at the time 4 I loved going to the market with my nanny Ah Fong I would gaze out the window as the tram made its way through the crowded narrow streets of Hong Kong I was mesmerized by everything I saw *Relax... You're Not Going to Die Part 1*

Darryl Philip,2025-10-17 This is a time of our spiritual awakening a time when we are finally gaining a full understanding about just why we all choose to take on an earthly life inhabiting a physical body and enduring the ongoing ups and downs of earthly life It is no longer a question of if God exists Now we know that God exists Our spiritual awakening means that we fully understand and accept that God is present in our lives and that all of life is a spiritual journey *Words of Wisdom*
