The Spirit of Shiatsu Ivan Bel, 2025-01-21 Going beyond the practical technicalities this in depth manual delves into the founding principles and philosophy of Shiatsu on a technical cultural energetic and conceptual level Split into three parts and based on two decades of international experience Ivan Bel first returns to the basic technical principles of Shiatsu then explores the complexities of the person centred mind body theory behind the practice and gradually expands into the philosophical elements of natural health

Concepts and questions that are often excluded from practical Shiatsu resources are carefully explained including inner cleaning and purification linking energy and the impact an individual's environment can have on their health. Enriched with case studies and comprehensive yet accessible language, this is ideal for both Shiatsu students and practitioners. In exploring the why as well as the how, this must-have resource allows teachers and students to expand their knowledge and awareness for a more complete and flexible understanding of this ancient discipline.
