Freedom's Child Walter Polovchak, Kevin Klose, 1988 Decision not to return to Ukraine with parents at the age of twelve

Children's Ministry in the Way of Jesus David M. Csinos, Ivy Beckwith, 2013-10-04 Attract kids to church the logic often goes and you get parents in the pews All that's left is to get the kids out of the way Here children's ministers David Csinos and Ivy Beckwith draw on research in human development and spiritual formation to show how children become disciples and churches become centers of lifelong discipleship Freedom's Journey Free to Serve Dennis A.

McIntyre, 2011-08-23 Jake Wilson once sought to replace the loss of his father with many vices including alcohol drugs and women But Jake eventually turns his life around and becomes the man God always wanted him to be Now he and his wife Terry have formed a family centered on faith love and most importantly hope As he opens his heart and home to his two daughters through a custody agreement Jake has no idea that he is about to discover the answers to the challenges that still plague him from his past As Jake's daughters slowly acclimate to living with a new family Jake finds solace in his Bible study group With his family of six packed in a three bedroom apartment Jake has no choice but to push his financial misgivings aside and begin searching for a larger home Soon after he places his trust in the Lord through prayer Jake stumbles onto an old farmhouse in desperate need of renovation and secretly wonders if the ramshackle dwelling is the answer to his prayers In this inspirational tale a man embarks on an emotional journey through his past present and future and soon discovers that God always has a plan Stories of True Financial Freedom, 2006-07 Collection of true accounts of God's impact in the lives

from Fundamentalism to Freedom John Morgan, 2009-03-10 Flying Free thoroughly covers the background of the Worldwide Church Of God WCG cult its history leadership doctrines beliefs and its membership This book contains never previously published research explaining Herbert Armstrong's Holiness Quaker upbringing It also includes extensive research on the WCG's comparison to a cult and the characteristics that actually define a cult Flying Free documents the

impact of the Armstrong teachings on individual lives but then goes on to show a priceless freedom found in life beyond fundamentalism Flying Free is a valuable practical resource for ex WCG members and for relatives or friends attempting to come to terms with the reality of loved ones joining a cult It should serve as a warning to those contemplating entering a fundamentalist church The book also includes a balanced assessment of the origins of the Bible the authority of the Bible and an appraisal of organised Christianity s influence on the individual Christian Walking into My Freedom Colandra Hall,2021-03-10 My book is about my struggles of becoming a strong woman of faith and how I had to over come so much of my past I would run when trouble would come my way and I did this for years of my life until one day I just surrender to Christ After years of tormenting myself but in the meantime God was changing my character so I would look like Jesus I have learn that all of my trails was to take me out of me so God could put his spirit into me **The Impossibility of Religious Freedom** Winnifred Fallers Sullivan,2018-04-24 The Constitution may guarantee it But religious freedom in America is in fact impossible So argues this timely and iconoclastic work by law and religion scholar Winnifred Sullivan Sullivan uses as the backdrop for the book the trial of Warner vs Boca Raton a recent case concerning the laws that protect the free exercise of religion in America The trial for which the author served as an expert witness concerned regulations banning certain memorials from a multiconfessional nondenominational cemetery in Boca Raton Florida The book portrays the unsuccessful struggle of Catholic Protestant and Jewish families in Boca Raton to preserve the practice of placing such religious artifacts as crosses and stars of David on the graves of the city owned burial ground Sullivan demonstrates how during the course of the proceeding citizens from all walks of life and religious backgrounds were harassed to define just what their religion is She argues that their plight points up a shocking truth religion cannot be coherently defined for the purposes of American law because everyone has different definitions of what religion is Indeed while religious freedom as a political idea was arguably once a force for tolerance it has now become a force for intolerance she maintains A clear eyed look at the laws created to protect religious freedom this vigorously argued book offers a new take on a right deemed by many to be necessary for a free democratic society It will have broad appeal not only for religion scholars but also for anyone interested in law and the Constitution Featuring a new preface by the author The Impossibility of Religious Freedom offers a new take on a right deemed by many to be necessary for a free democratic society **Sweet Freedom** Sarah Palin,2015-11-16 Peace I leave with you my peace I give you I do not give to you as the world gives Do not let your hearts be troubled and do not be afraid John 14 27 In Sweet Freedom Sarah Palin invites you to draw strength and inspiration from 260 meditations based on guiding Biblical verses You are not alone in your doubts and anxieties we all bear the burdens of everyday stresses and for most of us our concerns spread beyond our selves to our families communities and country But Palin shows that with abiding faith and by opening ourselves to the truths that have saved mankind for generations we can thrive and experience true freedom **30 Old Testament Interactive Stories for Young Children** Steven James,2007-01-02 This is a collection of
