Big Adventure Little Line:

Pa's Big Adventure Vietnam 1966-1971 Lawrence R. Beutlich, 2014-02-20 Shoot hollered Willie B Where I screamed Shoot Shoot Screamed Willie B Again I clicked my rifle from safe to full auto and let it rip in the direction of the tracers from the other two guys I fired one complete magazine I had no idea what was happening I changed magazines I buried my face in the dirt attempting to make myself invisible I was terrified I lie there cowering by hiding my face in the dirt I had no idea what to do Shoot screamed Willie B again My rifle had a bi pod attached to the front of it as it was a select fire Semi or full auto I extended the bi pod and again ripped off full auto rounds My hands and fingers were moving too slow It was as if I was moving in slow motion I couldn't make my hands move any faster I kept shooting like the other two At what I had no idea My heart was pumping ninety miles an hour I heard firing erupt from the NDP then stop A piece of hot brass hit me in the neck and went down my fatigue shirt burning the hell out of me I kept firing and trying to shake the hot brass out of my shirt at the same time I had fired six magazines before I noticed the other two had stopped firing I errrently touched the barrel of my rifle and got a burn that bubbled up the skin We all lie still My mouth was so dry I couldn't swallow I was shaking badly and couldn't catch my breath Again I buried my face in the dirt in a futile attempt to escape I didn't like any of this This wasn't at all like playing soldier in the back yard as a kid In this touching memoir and short story collection Beutlich chronicles his experience during the Vietnam war It showcases incredible military adventures perfect for readers who are into reading thrilling war stories

Drawings , Mimi and Toutou's Big Adventure Giles Foden, 2010-03-10 When the First World War breaks out the British navy is committed to engaging the enemy wherever there is water to float a ship even if the body of water in question is a remote African lake and the enemy an intimidating fleet of German steamers The leader of this improbable mission is Geoffrey Spicer Simson whose navy career thus far had been distinguished by two sinkings His seemingly impossible charge to trek overland through the African bush hauling Mimi and Toutou two forty foot mahogany gunboats with a band of cantankerous insubordinate Scotsmen Irishmen and Englishmen to defeat the Germans on Lake Tanganyika With its powerfully evoked landscape cast of hilariously colorful characters and remarkable story of hubris ingenuity and

perseverance this incredibly bizarre story inspiration for the classic film The African Queen is history at its most entertaining and absorbing In the Line of Fire Jennifer LaBrecque,2011-03-01 Subject Colton Sawyer Army Officer Current Status Home on leave About to engage in a battle for his heart Mission Keep his honor intact Obstacle Runaway bride and first love Andi Mitchell Colton respects one creed Duty and honor above all So he s torn when sweet sexy Andi asks his help in fleeing from her intended groom But her big brown eyed plea is so convincing Unfortunately Andi is his best friend s little sister Translation Hands off soldier But that s a damn hard thing to do Because this sexy utterly absorbing woman is the only one he wants the one he s always wanted How can he possibly resist her when they re sharing hotel rooms and their bodies Battle zones are nothing compared to this Colton s heart is directly in the line of fire So what else can he do but launch a counterattack a purely physical one Because if you can t beat em **An Awfully Big Adventure** Bartimeus,1919

Dancing with Strangers, Living with Ghosts Carl Brown,2024-11-07 Not very long before we had the pride flag and the pretty rainbow there was the plague Coming out as a gay man in the eighties meant mysterious deaths antibody tests and fears of internment along with endless funerals and a virus that was always 100 percent fatal This is one man s story of unexpected survival southern adventure and maybe even divine intervention all of which came with a surprising and surprisingly fantastic soundtrack The eighties was a decade known for great music and if you were a gay man it was also known for great heartache and grief For me there was plenty of both and this is my story of being one of the first to be infected and one of the very few to survive the early days of what was once an always 100 percent fatal diagnosis
