

A large black crow is shown in silhouette, flying horizontally across the upper half of the image. Its wings are spread, and its tail feathers are visible. Below the crow, a small American flag is seen flying on a pole. The background is a dark, stormy sky with heavy, grey clouds and a bright, hazy light source near the horizon, creating a dramatic and ominous atmosphere. The overall tone is dark and foreboding.

a storm is coming...

Big Slide By James Howard Kunstler:

Big Slide James Kunstler, 2018-04-05 *Big Slide* is a three act stage play In a moment of unprecedented national political upheaval members of the large Freeman family flee New York and Boston and take refuge in their Adirondack mountain mansion called Big Slide The electricity is down and the Internet with it Cities have been bombed and trouble has even come to these mountains where extremist self styled regulators are hunting down the rich and privileged Big Slide is old school rousing heart pounding theater [The KunstlerCast](#) Duncan Crary, 2021-09-17 Based off the popular podcast this book collects one man s conversations with an outspoken social critic on the negative effects of the suburbs James Howard Kunstler has been described as one of the most outrageous commentators on the American built environment An outspoken critic of suburban sprawl Kunstler is often controversial and always provocative The KunstlerCast is based on the popular weekly podcast of the same name which features Kunstler in dialogue with author Duncan Crary offering a personal window into Kunstler s worldview Presented as a long form conversational interview The KunstlerCast revisits and updates all the major ideas contained in Kunstler s body of work including The need to rethink current sources of transportation and energy The failure of urban planning architecture and industrial society America s plastic dysfunctional culture The reality of peak oil Whether sitting in the studio strolling city streets visiting a suburban mall or even Happy Motoring the grim predictions Kunstler makes about America s prospects are leavened by his signature sharp wit and humor This book is rounded out by commentary footnotes and supplemental vignettes told from the perspective of an embedded reporter on the Kunstler beat Readers may or may not agree with the more dystopian of Kunstler s visions Regardless The KunstlerCast is bound to inspire a great deal of thought laughter and hopefully action Praise for The KunstlerCast A bracing dose of reality for an unreal world Stephen J Dubner co author of *Freakonomics* and *SuperFreakonomics* Erudite eloquent with good humor about the hilariously grotesque North American nightmare of car addicted suburban sprawl Dmitry Orlov author of *Reinventing Collapse* Prepare to be enlightened infuriated and amused Gregory Greene Director *The End of Suburbia* So enlightening yet casual that the reader feels like they re eavesdropping into the den of Kunstler s prodigious mind Andrew D Blechman author of *Leisureville* *Big Slide* James Howard Kunstler, 2010-08-13 **Adirondack Life** ,1989 **America, History and Life** ,1991 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Home from Nowhere** James Howard Kunstler, 1998-03-26 In his landmark book *The Geography of Nowhere* James Howard Kunstler visited the tragic sprawlscape of cartoon architecture junked cities and ravaged countryside America had become and declared that the deteriorating environment was not merely a symptom of a troubled culture but one of the primary causes of our discontent In *Home from Nowhere* Kunstler not only shows that the original American Dream the desire for peaceful pleasant places in which to work and live still has a strong hold on our imaginations but also offers innovative eminently practical ways to make that dream a reality Citing examples from around the country he calls for the restoration of

traditional architecture the introduction of enduring design principles in urban planning and the development of public spaces that acknowledge our need to interact comfortable with one another *Geography Of Nowhere* James Howard Kunstler, 1994-07-26 Argues that much of what surrounds Americans is depressing ugly and unhealthy and traces America's evolution from a land of village commons to a man made landscape that ignores nature and human needs Taking the High Road David B Reynolds, 2016-09-16 This book presents a vision for farreaching economic change in America connected to practical grassroots steps It points to an economic system in which corporate success merges with the long term welfare of the workers and the general population The author examines the continued reality of social democracy in Europe and what lessons can be learned for the U S He demonstrates how progressive economic change is already being fought for by labor and community groups throughout America in such efforts as the Living Wage Movement and the emerging battle against sprawl And he provides a wealth of concrete examples tools and ideas that everyone can use to organize for economic and social justice in their own communities *Ecology and Revolution* C. Boggs, 2012-09-06 Ecology and Revolution Global Crisis and the Political Challenge is an in depth exploration and analysis of the global ecological crisis going far beyond the issue of global warming in the larger context of historical conditions and political options shaped by the failure and incapacity of the existing political system to adequately confront the crisis The Harrows of Spring James Howard Kunstler, 2016-07-05 The World Made by Hand postapocalyptic saga concludes with this suspenseful tale spiked with suffering and violence rough justice and love Booklist The small town of Union Grove has adapted struggled and thrived in the new age of civilization But early spring is full of hardships Fresh food is scarce and the winter stores are almost gone Despite the time of privation young explorer Daniel Earle resurrects the town newspaper and the town trustees ask him to help revive the Hudson River trade route But even as the townsfolk strive forward a group of visitors remind them that nothing is easy in the new world They proclaim themselves as representatives of the Berkshire People's Republic spouting high minded near fanatical rhetoric of social justice and absolute equality all while demanding tribute from the citizens under slyly veiled threats Now the townspeople of Union Grove will have to decide just how far they are willing to go to keep the freedom and peace for which they have fought so hard With this glimpse into a future that could become reality all too soon James Howard Kunstler delivers a slyly folksy caustically hilarious unabashedly proselytizing and affecting finale in a keenly provocative saga Booklist
