Eugene Boring, 2022-06-21 Justice only justice is Deuteronomy's terse summary of what Yahweh requires of the people of God What Deuteronomy reveals is that the competence to be God's people to know God and to do God's will comes only through hearing the transforming Word of God in Scripture Deuteronomy sets the scene for hearing God's Word in the wilderness as Moses addresses a new in between generation of all Israel The people of God are no longer in Egypt nor yet in Canaan Moses warns them against allowing the past to control them and attempts to equip them to live faithfully in the new situation in which they find themselves Deuteronomy's core theology expressed in the Shema Hear O Israel The Lord is our God the Lord alone forms the structure of the book What does it mean to hear Who is all Israel And how does the identity of the one Lord shape ethics To hear the biblical text does not mean passive listening Hearing means engaging the story of God's Word with our own story The book explores the three levels of hearing in Deuteronomy hearing the story in the text its narrative world hearing the story behind the text what really happened and hearing the story of the text how the original preaching and teaching became a canonical book that comes to us already translated with a rich history of interpretation in which contemporary readers stand Deuteronomy for the Church reminds us that Christian believers are included in all Israel that in reading Deuteronomy we are not merely spectators overhearing what was once said to other people but that we are addressed as on stage participants in the story with the responsibility to discern and improvise what God requires of us in

our time and place Discerning the will of God means deepening our understanding of God's own revelation of the divine character and purpose in history This responsibility is illuminated by New Testament examples that interpret Deuteronomy in light of God's definitive self-revelation in Christ The Last Enemy to Be Destroyed Ralph K. Hawkins, 2024-11-11 Sooner or later we are all faced with death and are left asking whether death has the last word The Bible does not pretend that death is not a problem but instead views it as an enemy that has invaded God's world and torments humankind The Bible teaches that Jesus Christ has triumphed over death but there is debate about when that triumph will be realized The apostle Paul says that death will be the last enemy to be destroyed 1 Cor 15:26 and the author of the letter to the Hebrews says that ironically it was by his death that Jesus broke the power of death Heb 2:14 The Last Enemy to Be Destroyed will take readers on a guided tour of the progressive revelation from the garden of Eden where the fall occurred and death first entered the world to the last days when the general resurrection will occur and death will finally be defeated once and for all It will encourage anyone who has either lost a loved one or received a frightening diagnosis themselves Readers will be assured that there will come a day when the last enemy death will be defeated and we will be redeemed **Characters and Characterization in the Book of Kings** Keith Bodner, Benjamin J.M. Johnson, 2019-12-12 This book is an examination of characters in the books of Kings showing how understanding and interpretation of key characters affects readings of the story The volume begins with more general pieces addressing how the study of characters can shed light on the composition history of Kings and on how characters and characterization can be considered with respect to ethics particularly with respect to the moral complexity of biblical characters Contributors then consider key characters within the Kings narrative in depth such as Nathan Bathsheba Solomon and Jezebel The contributors use their own specific expertise to analyze these characters and more drawing on insights from literary theory and considering such approaches as questioning our view of a particular character with based on the character within the text with whom we identify Contributors also assess whether or not characters as portrayed in the biblical text necessarily match up to their possible counterparts in history Beatitudes and Terror Oleksandr Geychenko, Roman Soloviy, Yevgeny Ustinovich, 2025-10-14 Throughout history Scripture has demonstrated its enduring significance by addressing humanity's varied historical situations and social contexts During times of struggle Christians seek guidance and answers in God's word Moments of existential crisis triggered by conflicts shifts in cultural paradigms or sociopolitical changes encourage fresh interpretations of established theological concepts and biblical exegesis In this timely and important work Ukrainian evangelical theologians come together to explore the Beatitudes as a source of spiritual and ethical guidance for Christians facing the major upheaval of revolution war and natural disaster Historically Christians have regarded the Beatitudes as a key to understanding Scripture an ideal model for those spiritually rejuvenated through faith in Christ's life death and resurrection and as essential virtues for nurturing personal spirituality and social engagement justice The Panoramic View of Bible Dr. Shibu Thomas B.Sc. M.Div. C.P.E D.Min. Ph.D.
