and Jethro Tull bandleader Ian Anderson And he's spoken with creative masters in other fields such as comedian Joan Rivers and author Frances Mayes Yet it's not simply that Shapiro has had access to so many supremely talented people it's that he gets them to go deep Moments into his penetrating conversation with Lucinda her fans call her by her first name she tells Shapiro about how decisions made about her mother's funeral led to fissures in her family From this achingly personal conversation readers can glean fresh insights into why Lucinda has such a devoted following and why her songs open listeners hearts Unexpected revelations pop up in every chapter of *The Creative Spark* Iowa folksinger Greg Brown isn't a household name but his fellow musicians revere his poetic compositions Then there's San Francisco Giants announcer Mike Krukow who turns every broadcast into a work of art Chefs including SingleThread's Kyle Connaughton discuss how they're transforming the way we approach fine dining and why social responsibility is essential Each chapter starts with a short biography of the creative person being profiled then segues into Q & A This collection brings together some of the best known artists of our time with others who may not be as famed but who have valuable insights about living an artful life *The Creative Spark* stands as a testament to human achievement showing how creativity illuminates our world And how it resides in each and every one of us just waiting to break out
