"Dearest Angel ..." William Zimmerman, 2010-07-14 After suffering the traumatic loss of his child to abortion the day before his twenty fifth birthday in 1999 William found himself in a mental and emotional whirlwind of despair and regret of depression and guilt Nothing could prepare him for the devastating experience of losing a child and the

emotions he would encounter in the aftermath The many thoughts and emotions that he experienced after the abortion were becoming far too much for his mind to contain Eighteen months after the abortion he began writing letters to the child he lost as a desperate cry for help Realizing the purpose behind the pain William battled every emotional demon imaginable to document his journey He knew he wasn't alone in his grief He wanted others who have suffered from the loss of their children to abortion to know that they too were not alone He worked on this journey over the course of ten years He has seen the depths of an emotional hell in which he questioned his own will to live Dearest Angel is the document of his journey a journey of regret and repair of grief and gratitude and of hurt and healing My Angel's Gem Crystal Belle, Theresa Jade, Nothing was as it seemed at first in this contemporary heartwarming tale of a young woman who had come to a point in her life where everything was going downhill Having to deal with an injured petulant younger sister a morose grieving mother and a recent breakup Georgie Greene had only one choice left to cope as best she could in her own way She had thought the trip to her grandparent's ranch up north supposedly for the benefit of her sister would be nothing more than revisiting painful old memories Little did she know that she would come to learn of a heart wrenching secret her grandparents had thus far kept from the family Apart from that was her family's mysterious involvement with the gorgeous looking impertinent ranger whose face she could not get out of her head Just when things were starting to look up she was tossed into a whirlpool of disconcerting circumstances which threatened to send her spirits plummeting once more Would she get her life back on track and perhaps even kindle a little romance anew She knew the man she wanted but did he want her now that he was holding the other woman's hand sparkling with a diamond ring **An Angel's Heart** Raven Gregory, 2020-08-07 Home and hearth were not the life Rhea dreamed of She longed for adventure and sights beyond her little village where everything stayed the same Enlisted as a healer and light bearer by the goddess herself Rhea said goodbye to all she had ever known and set off to find her place in the world When a dark and dangerous force threatens to bring down all that Rhea holds dear she must rise above and fight Magic matters of the heart and a little help from a vampire that struggles to hold on to his humanity will be the foundation Rhea needs to face the world's greatest evil Before she can take on the demon king that threatens her very existence she must first face the demons she keeps locked deep down inside herself she must unleash her inner power and learn to trust her heart Love will conquer all if she can only find it within herself to let go of the past and learn to be loved for who she really is Ava's Story Jennifer Rohde Dickerson, 2012-05-22 Ava Elaine was born with a condition unheard of by many who will read her story congenital diaphragmatic hernia or CDH She began her journey on October 22 2010 From the moment she came into my life with her amazing beautiful red hair and pretty blue eyes I knew pure love After one brief moment of skin to skin touch with her she was whisked from my arms to a waiting team of doctors and nurses and put on a ventilator Ava's courageous battle against seemingly insurmountable odds tells the story of her amazing impact on the lives of her family friends doctors nurses and even complete strangers From her delivery at Parkland

to the NICU at ChildrensMedicalCenterinDallas she touched the lives of everyone who came to know her Ava quickly got a reputation for being a fighter From the time she entered the NICU Ava clenched her little fists in preparation for her fight Grandpa bought her a set of pink boxing gloves and Team Ava was always standing at the ready in her corner The staff at the hospital marveled at her ability to overcome a number of obstacles and difficult medical procedures She would surprise us all by telling us in her own way that she was not giving up without a fight Elias Lopez chaplain ChildrensMedicalCenter In the words of Dr James Thomas Ava was endowed with a unique grace that those who knew her could feel Perhaps Ava was a vehicle for a greater force or maybe she possessed a larger than life charisma How could one little girl s battle for life have such a life changing effect on those who loved her **The Power of the Mind to Heal** Joan Z.
