Angel Killer A Jessica Blackwood Novel:

Angel Killer Andrew Mayne, 2014-09-23 In the first installment in Andrew Mayne's sensational mystery series FBI agent Jessica Blackwood believes she has successfully left her complicated life as a gifted magician behind her until a killer with seemingly supernatural powers puts her talents to the ultimate test. A mysterious hacker who identifies himself only as Warlock brings down the FBI's website and posts a code in its place. It hides the GPS coordinates of a Michigan cemetery where a dead girl is discovered rising from the ground as if she tried to crawl out of her own grave. Born into a dynasty of illusionists, Jessica Blackwood is destined to become its next star until she turns her back on her troubled family and her legacy to begin a new life in law enforcement. But FBI consultant Dr. Jeffrey Ailes's discovery of an old copy of *Magician Magazine* will turn Jessica's carefully constructed world upside down. Faced with a crime that appears beyond explanation, Ailes has nothing to lose and everything to gain by taking a chance on an agent raised in a world devoted to seemingly achieving the impossible. The body in the cemetery is only the first in the Warlock's series of dark miracles. Thrust into the media spotlight with time ticking away until the next crime, can Jessica confront her past to embrace her gifts and stop a depraved killer? If she can't, she may become his next victim.

Name of the Devil Andrew Mayne, 2015-07-07 In this electrifying sequel to the crowd-pleasing thriller *Angel Killer*, magician-turned-FBI agent Jessica Blackwood must once again draw on her past to go up against a brutal murderer desperate for revenge at any price. After playing a pivotal role in the capture of the Warlock, a seemingly supernatural serial killer and saving the FBI's reputation in the process, agent Jessica Blackwood can no longer ignore the world she left behind. Formerly a prodigy in a family dynasty of illusionists, her talent and experience endow her with a unique understanding of the power and potential of deception as well as a knack for knowing when things are not always as they appear to be. When a church congregation vanishes under mysterious circumstances in rural Appalachia, the bizarre trail of carnage indicates the Devil's hand at work. But Satan can't be the suspect, so FBI consultant Dr. Ailes and Jessica's boss on the Warlock case, Agent Knoll, turn to the ace up their sleeve: Jessica. She's convinced that an old cassette tape holds the key to the mystery, and unraveling the recorded events reveals a troubling act with far-reaching implications. The evil at work is human, and Jessica must follow the trail from West Virginia to Mexico, Miami, and even the hallowed halls of the Vatican. Can she stop a cold-blooded killer obsessed by a mortal sin, or will she become the next target in a twisted diabolical game of hunter and prey?

Fire in the Sky Andrew Mayne, 2015-05-19 In this compelling short story from Andrew Mayne, master illusionist and the author of *Angel Killer*, we see a new side to magician-turned-FBI agent Jessica Blackwood and get an electrifying sneak peak at her next adventure. *Name of the Devil*: Headstrong, sarcastic, and fiercely intelligent, Jessica Blackwood knows better than anyone how easily people can be fooled. So she's not happy about being sent to Louisiana on what appears to be a wild goose chase hinging on an elderly man's recollection of an event that occurred decades ago. Especially because her boss, FBI consultant Dr. Jeffrey Ailes, has paired her up with young, earnest
