Angelic Tails True Stories Of Heavenly Canine Companions:

Angelic Tails Joan Wester Anderson, 2011-04-01 *Angelic Tails* is a collection of down to earth true stories from ordinary people who believe that God has graced their lives through heavenly canine companions. Each of the 30 stories challenges readers to reconsider their conception of angels from the story of a former Air Force colonel whose golden retrievers served as his heavenly helpers in the Colorado wilderness to the account of St John Bosco who for more than 30 years was protected by an angelic dog as he walked the dangerous city streets. In the end for all who see through the eyes of faith this book is evidence that God can use even muddy paws and cold noses to fulfill his purposes in our world. [The Best Angel Stories](#)

[Guideposts](#), 2016-09-01 Here from the editors of *Angels on Earth* and *Guideposts* are 80 stories of real people who encountered real angels whether the angels appear as a cloud of butterflies or a strain of heavenly music or adorned with wings and robes these messengers offer assurance that we are never alone that we are watched over cared for and loved. Included are classic stories from *Angels on Earth Magazine* favorite angel stories from other books and magazines and all new stories that have never before been told. Meet people who have experienced impossible rescues and amazing protection messages of love and comfort from beyond and people who have died and visited heaven before returning to earth. See how the innocence of a child or the loyalty of a beloved pet can draw angels to your side. This really is the Big Book of Angels. The 80 stories fall into 7 categories that cover the waterfront of all things angel: Sheltered by Their Wings, Protection Messengers of Love, Glimpses of Heaven, Mysterious Knowings, Touched through Time, Animal Angels, Children of Angels. This is a book for the broad inspirational market and for the angel crowd. It is a book for anyone who wants to believe that we are not alone that help is on the way from the other side. **An Angel to Watch Over Me** Joan Wester Anderson, 2012-03-01

Children are known to have wild imaginations which explains why their stuffed animals talk and invisible friends get invited to tea parties. So it's no wonder that when a child reports a personal encounter with an angel adults tend to dismiss it with a wry smile and say "That's nice sweetie. Why don't you go outside and play." But Joan Wester Anderson says not so fast. If Jesus himself taught that the kingdom of heaven belongs to children there's no reason in the world not to believe that God can reveal his love to little ones through angels. In *An Angel to Watch Over Me* originally published by Random House in 1994 with sales of 150,000 copies Anderson shares more than 30 stories of children's experiences with celestial beings from a boy whose angels help him conquer his fear of thunderstorms to a girl who is miraculously rescued from her burning home. From angels who combat evil and darkness to angels who bring news of comfort and joy each of these accounts is grounded in traditional Christian belief eschewing any New Age interpretation of the events. For all who are open to the possibility that even children can have authentic spiritual lives and that attaining a certain age is not a prerequisite for God to touch our lives in the form of heavenly helpers this book is sure to stir the soul and fan the faith.
