Angels Landing A Love Story:

Angels Landing Gregory Thompson, 2015-06-16 The mental outline of this novel was mostly completed in 1996 Over the years it has been polished and fine tuned and finally completed in the summer of 2014 Much has changed in the world since 1996 and the author feels that an explanation of the novel is appropriate for the unsettling time that we reside in The male protagonist in Angels Landing is a peculiar soul with an ambivalent and unsettled nature to his being Afflicted with an unsettled mind he spends his life trying to make sense of a somewhat senseless world as the drama of life plays out before him He has an attraction and a prejudice to just about everything that comes his way unable to differentiate between the two and he is unaware that the difference in the two even exists There is a humor and an irony to his take on life and many attempts are made in this novel to humorously show the absurdity in the way his thoughts and emotions play out Please keep in mind dear reader that the novelist here is attempting to show the human nature of a protagonist that is suffering from a tortured mental psyche that he is not even fully aware exists as he attempts to live in his world which is at odds with the world in which he must live With respect to national origin race ethnicity gender sexual orientation religion chemical dependency mental illness and body size the novelist asks that the reader read without prejudice and remember that this undertaking is just a work of fiction that is meant to bring to light the absurdity of the absurd It also attempts to shed light and humor on the mental condition in which the protagonist finds himself Above all Angels Landing is a story of love a story of want and never ending desire a story of captivation for those wishing to be held captive by a true romantic love that we all desire The author asks you to read on and discover the unbelievable beauty of the most beautiful place on Earth the incomparable Angels Landing

Synchronicity- A Love Story Told Through Poetry Thea Evans,2007-03-01 The progression of a love story told from the girl s poetic accounts of a love affair that spanned over 10 years This is a story about love About falling in falling out of the yearning burning hating crying wishing lamenting and hoping we experience for love the lengths we go to for love the denial and foolishness we suffer through for love It might not always be pretty with bows and butterflies like the fairy tales but it definitely always changes us This is for those whom have battled with love both the winners and losers This is a reminder that sometimes even hopeless jaded cynics can stumble upon a happy ending One should never give up on dreaming
