Anglo American Antiphony The Late Romanticism Of Tennyson And Emerson:

Anglo-American Antiphony Richard E. Brantley, 1994 This is Brantley's best book yet It is wonderfully lively and informative and actually provides a conspectus of much of the current ongoing scene in academic literary criticism Brantley is hugely erudite and full of a quiet humor and he writes in a clear concise style Harold Bloom Sterling Professor of Humanities Yale University This is Richard Brantley's most wide ranging and his most personal book It connects the epistemology of John Locke to evangelical Christianity showing how the late but not belated Romanticism of Emerson's prose and Tennyson's In Memoriam A H H exemplifies the period's trust in experience as the best means of knowing what is true Interpreting their work in light of the eighteenth century thought of John Wesley founder of British Methodism and Jonathan Edwards leader of the American Great Awakening Brantley composes a complex harmony of ideas much as the antiphonal voices in a divided chancel choir rejoice in agreeable yet complicated song With a willingness to risk the widest ramifications of his ideas Brantley explores the creative tension between empiricism and evangelicalism reaffirming the hopefulness of Romantic literature and of the Romantic writers who used their poetry and prose to examine issues of personal urgency He seeks specific answers to the question of ultimate meaning in human existence boldly asserting that the optimism of Tennyson and Emerson makes so much sense for their social world that it may even make sense for today's individual in society His method is relatively unsystematic for he invokes Keats's Negative Capability the ability to rest with uncertainties Mysteries doubts without any irritable reaching after fact and reason While emphasizing this value amid multiple perspectives and cultures Brantley in this concluding volume of his historical critical tetralogy aspires to the condition of open mind and warm heart that he finds in Wesley Edwards Tennyson and Emerson Richard E Brantley is alumni professor of English at the University of Florida He is the author of *Coordinates of Anglo American Romanticism* Wesley Edwards Carlyle and Emerson UPF 1993 *Wordsworth's Natural Methodism and Locke Wesley and the Method of English Romanticism* UPF 1984 which won the Conference on Christianity and Literature award for best book of 1984 *A Historical Guide to Ralph Waldo Emerson* Joel Myerson, 2000 Emerson has maintained his place as one of the seminal figures in American history and literature He was the acknowledged leader of the Transcendentalist movement These essays discuss Emerson's life as well as women's rights slavery and religion

Experience and Faith R. Brantley, 2016-04-30 Emily Dickinson 1830-86 recasts British Romantic themes of natural and spiritual perception for an American audience Her poems of science and technology reflect her faith in experience Her lyrics about natural history build on this empiricism and develop her commitment to natural religion Her poems of revealed religion constitute her experience of faith Thus Dickinson stands on the experiential common ground between empiricism and evangelicalism in Romantic Anglo America Her double perspective parallels the implicit androgyny of her nineteenth century feminism Her counterintuitive combination of natural models with spiritual metaphors champions immortality The experience faith dialectic of her Late Romantic imagination forms the heart of her

legacy **Transatlantic Literary Studies, 1660-1830** Eve Tavor Bannet, Susan Manning, 2011-12-08 The recently developed field of transatlantic literary studies has encouraged scholars to move beyond national literatures towards an examination of communications between Britain and the Americas The true extent and importance of these material and literary exchanges is only just beginning to be discovered This collection of original essays explores the transatlantic literary imagination during the key period from 1660 to 1830 from the colonization of the Americas to the formative decades following political separation between the nations Contributions from leading scholars from both sides of the Atlantic bring a variety of approaches and methods to bear on both familiar and undiscovered texts Revealing how literary genres were borrowed and readapted to a different context the volume offers an index of the larger literary influences going backwards and forwards across the ocean The Complete Idiot's Guide to American Literature Laurie Rozakis, 1999-08-01 You're no idiot of course You know that Samuel Clemens had a better known pen name Moby Dick is a famous whale and the Raven only said Nevermore But when it comes to understanding the great works of Mark Twain Herman Melville and Edgar Allan Poe you'd rather rent the videos than head to your local library Don't tear up your library card yet The Complete Idiot's Guide to American Literature teaches you all about the rich tradition of American prose and poetry so you can fully appreciate its magnificent diversity Emily Dickinson's Rich Conversation R. Brantley, 2013-06-12 Emily Dickinson's Rich Conversation is a comprehensive account of Emily Dickinson's aesthetic and intellectual life Contrary to the image of the isolated poet this ambitious study reveals Dickinson's agile mind developing through conversation with a community of contemporaries **Transatlantic Transcendentalism** Samantha C Harvey, 2016-06-30 This new study argues that Coleridge was so influential in America because he provided a framework for American intellectuals to address one of the great questions of European Romanticism what is the relationship between the Romantic triad of nature spirit and the self *Writing beyond Prophecy* Martin Kevorkian, 2013-01-02 Writing beyond Prophecy offers a new interpretation of the American Renaissance by drawing attention to a cluster of later rarely studied works by Ralph Waldo Emerson Nathaniel Hawthorne and Herman Melville Identifying a line of writing from Emerson's Conduct of Life to Hawthorne's posthumously published Elixir of Life manuscript to Melville's Clarel A Poem and Pilgrimage in the Holy Land Martin Kevorkian demonstrates how these authors wrestled with their vocational calling Early in their careers these three authors positioned their literary pursuits as an alternative to the ministry By presenting a new revelation and a new set of gospels for the nineteenth century they sought to usurp the authority of the pulpit Later in life each writer came to recognize the audacity of his earlier work creating what Kevorkian characterizes as a literary aftermath Strikingly each author later wrote about the character of a young divinity student torn by a crisis of faith and vocation Writing beyond Prophecy gives a distinctive shape to the late careers of Emerson Hawthorne and Melville and offers a cohesive account of the lingering religious devotion left in the wake of American Romanticism Transatlantic Romanticism Lance Newman, Joel Pace, Chris Koenig-Woodyard, 2006 This

anthology of Romantic literature features both central and new to the canon texts by American British and Canadian writers Thematic groupings and companion readings illuminate the major literary cultural and historical events of the transatlantic Romantic era Features thematically related readings are collected into Transatlantic Exchanges that frame key debates about revolutionary republicanism slavery and abolition women s rights and more contemporary responses accompany key selections showcasing their transatlantic influence lively section introductions and author headnotes further contextualize the literature BOOK JACKET *Prisoner of Conscience* Galen Johnson,2007-01-01 Prisoner of Conscience is an interdisciplinary study of Bunyan s understanding of conscience to what degree it demands fidelity and how this affects Bunyan s relationship both to the modern emphasis on individualism and to historic Christianity This book deals with Bunyan s theological fictional and autobiographical writings often in comparison with his contemporaries such as the Quakers John Milton and Richard Baxter
