### **Animorphs 53 The Answer:**

The Answer (Animorphs #53) K. A. Applegate, 2017-09-26 The battle is still raging and it's out and out war Jake and the other Animorphs have found a way to slow the Yeerks down but now the Yeerks have decided the best way to win is to just destroy everything and everyone who gets in their way Just when things look hopeless Jake and the others discover help where they least expected Taxxon's Creatures so foul and heartless it's hard to believe that they're capable of having any feelings But Jake and the others soon discover that the Taxxon resistance has its own problems with the Yeerks And for once it looks like Earth may have a chance

**The Beginning (Animorphs #54)** K. A. Applegate, 2017-09-26 No one ever thought it would come to this Jake Rachel Tobias Cassie Marco and Ax know that even if they could have warned people in the beginning no one would have believed their story A story about an invasion of parasitic aliens So for all this time Jake and the other Animorphs have secretly fought a desperate battle Secretly held the Yeerks at bay But those days are over It's come down to the final battle between the Yeerks and Animorphs And no one knows who will win lose or live

*Visser (Animorphs)* K. A. Applegate, 2018-03-27 Her human name is Eva There was a time when she had a loving husband and a son Marco When she had a wonderful career But that was before she was infested by Edriss 562 Before the invasion of Earth Now Edriss 562 lives in Eva's head and controls her every movement And through Eva Edriss has become the highest ranking general in the Yeerk empire surpassing even her arch rival Visser Three She is Visser One But it has become known that Visser One's tactics for attaining her current position were less than acceptable even to the Yeerks Now she's on trial for treason If she's found innocent she'll continue to rule But if she's found guilty she'll lose her life and possibly the life of her host Eva Which will mean that Marco will never ever see his mother again

*The Forgotten (Animorphs #11)* K. A. Applegate, 2017-06-27 There's been an accident Someone crash landed a Yeerk Bug fighter and the Yeerks have been trying to cover it up quickly When Tobias spots it before they get the chance the Animorphs decide to steal the ship to show the world that Earth has been invaded That's when things go terribly wrong Before they know it Jake and the other Animorphs find themselves in another place Another time And there's no way home

*The Extreme (Animorphs #25)* K. A.

Applegate, 2017-07-25 Marco and the other Animorphs have managed to find out where the Yeerks are planning to build their next ground based Kandrona That's a good thing But the location is supposed to be somewhere near the North Pole That's a bad thing The Animorphs know that the Yeerks are a cold blooded species but this is a little nuts Who wants to be near the North Pole without Arctic morphs and wearing spandex Even so the kids know that if the Yeerks succeed with their plan Earth is pretty much done for And Marco and the other Animorphs aren't quite ready to give up the fight

**The Warning (Animorphs #16)** K. A. Applegate, 2017-06-27 Jake's made a pretty amazing discovery It seems like there may be other people who know about the alien invasion of Earth Others who know about the Yeerks Jake finds a website devoted to revealing the existence of the Yeerks but he and the other Animorphs suspect it might be too good to be true If they try to

investigate the site and it s a trap the Yeerks could find out who they are If they don t check it out they ll never know if they re the only ones fighting Whatever Jake and the others decide to do they ve got to move quickly because Visser Three isn t the only one dying to meet them      **The Andalite Chronicles (Animorphs)** K. A. Applegate,2018-03-27 Elfangor Sirinial Shamtul is an Andalite war prince the one who gave the Animorphs the power to morph The Andalite Chronicles is the story of how this warrior cadet ended up on planet Earth Ages 9 12 Pub 12 97      **The Arrival (Animorphs #38)** K. A. Applegate,2017-08-29 Andalites have finally arrived on Earth Ax and the other Animorphs now have allies willing to fight against the Yeerk invasion But there are only four Andalites Not nearly enough to defeat thousands of Yeerks Not enough to stop humans from being infested Everyone agrees that the battle must continue but the Andalites don t want to fight alongside humans They feel their skills will be less than adequate And they demand that Ax choose a side Will Ax stay with his friends or stand with his people      **The Other (Animorphs #40)** K. A. Applegate,2017-08-29 Ax and the Animorphs have always believed Ax was the only non infested Andalite on Earth That he alone survived the terrible battle between his people and the Yeerks Until now There were other survivors Other Andalites And they re here on Earth Trying to keep a low profile Trying to find a way to defeat Visser Three Trying like Ax and the Animorphs to stay alive until help finally comes If help finally comes      *The Experiment (Animorphs #28)* K. A. Applegate,2017-07-25 The Yeerks have decided to try a little experiment They ve decided that if they can develop a way to make people more willing to be infested they can speed up Earth s invasion So the Yeerks try to invent a substance that will take away the human ability to make a decision A substance that will eliminate free will Now the Animorphs are not only faced with trying to slow down the Yeerks invasion but they also have to put an end to the genetic testing on a small group of humans This time there s only one chance to stop the Yeerks And if anything goes wrong it s all over
