Animorphs Megamorphs 01 The Andalites Gift:

The Andalite's Gift (Animorphs Megamorphs #1) K. A. Applegate, 2018-03-27 We never should have done it But we needed a break Some time off from the superhero stuff A chance to act like normal kids Well as normal as four kids who can morph into animals a boy trapped in a hawk s body and a bright blue alien can be Everything should have been cool Now Rachel is missing And there s this this thing that s after us But it s not up to me to tell the whole story Tobias Cassie Marco and Ax were there too Even Rachel has some info to add So go ahead and check this out And remember not to tell anyone what we re about to tell you It could mean the difference between life and death Or worse **Back to Before (Animorphs Megamorphs #4)** K. A. Applegate, 2018-03-27 What would you do if you had the opportunity to change your life Not just where you live or who you hang out with but your past present and future Sounds like it might be pretty cool right Well that s what Jake thought He thought it might be easier if the Animorphs had never existed If they d never met Elfangor If they all had the chance to be normal kids Jake gets his wish But things aren t quite as simple as they seem Just because the Animorphs no longer exist doesn t mean the Yeerks no longer exist Except now Jake Rachel Tobias Cassie and Marco can t morph They don t even know the Yeerks are out there And it s not such a wonderful life **In the Time of Dinosaurs**

(Animorphs Megamorphs #2) K. A. Applegate, 2018-03-27 We could blame everything that happened on Marco He was the one who heard about the downed submarine He was the one who thought we should check it out And everyone knows that if Marco s up to a challenge I m definitely there Everything was going fine Until the explosion An explosion that blew us millions of years back in time to the age of dinosaurs Now Tobias Cassie Marco Ax Jake and I are fighting for our lives with every step we take But that s not our biggest problem Our biggest problem is we have no idea how to get back to our own time **Elfangor's Secret (Animorphs Megamorphs #3)** K. A. Applegate, 2018-03-27 We found out who Visser Four is

And he has found the Time Matrix the machine Elfangor had hidden in the abandoned construction site The same place we met him on a night none of us will ever forget Especially me Now Visser Four has the Matrix and he plans to use it to become Visser One But Jake Rachel Cassie Marco Ax and I can t let that happen We can t let him alter time so that the Yeerks will win the invasion So we re prepared to make the ultimate sacrifice Eventually one of us will lose this fight **Back in the**

Spaceship Again Karen Sands-O'Connor, Marietta Frank, 1999-08-30 Much literature for children appears in the form of series in which familiar characters appear in book after book In the late nineteenth and early twentieth century authors began to write science fiction series for children These early series generally had plots that revolved around inventions developed by the protagonist But it was the development and use of rocket and atomic science during World War II that paved the way for interesting and exciting new themes conflicts and plots While much has been written about the early juvenile science fiction series particularly the Tom Swift books comparatively little has been written about children s science fiction series published since 1945 This book provides a broad overview of this previously neglected topic The volume offers a

critical look at the history themes characters settings and construction of post 1945 juvenile science fiction series including the A I Gang the Animorphs Commander Toad Danny Dunn Dragonfall Five the Magic School Bus and Space Cat The book begins with an introductory history of juvenile science fiction since 1945 with chapters then devoted to particular topics Some of these topics include the role of aliens and animals attitudes toward humor the absence and presence of science and the characterization of women A special feature is an appendix listing the various series In addition the volume provides extensive bibliographical information
