Big Lots Folding Chairs:

I Don't Want to Hurt You Benjamin Lampkin, Deep amid the jagged hills of southern Indiana young mother Jessie Scheutter and her three children are found dead in the snow beside a rural creek Her longtime partner former basketball star and local legend Tyner Hayes soon becomes a suspect And Tyner s best friend Blake Prince begins a search for what happened and focuses on a mysterious leader who founded and runs a secretive community on the outskirts of town *The Ties That Bind* Alan Brown,Brian Brown,2025-02-24 Life meets death when Detective Booger McClain gets gunned down trying to protect a client which unexpectedly sends the private investigator into the afterworld From the beyond McClain gets help from a former teacher who is trying to show her student that life is always more than it seems Desperate to return to his wife and partner Rose McClain tries to rush through his heavenly lessons only to discover he can help his wife from the other side as she reconnects with her estranged sister A journey through Booger s past highlights how loved ones have shaped the Ozarks detective as Rose confronts her own personal history and struggles to uncover just who shot her husband and worked to kill their client Those who have masked their identities in their pursuit of power stand to challenge the investigators like never before even as the detectives come to terms with their own identities *The Ties That Bind* the ninth book in the Booger McClain Ozarks Detective Series is a family affair that underscores the importance of loved ones in a world where no one rests in peace **Gadsby** Ernest Vincent Wright,2022-05-28 In *Gadsby* Wright presents a unique literary experiment conspicuously narrated without the use of the letter e a feat that offers a fresh perspective on narrative constraints This 1939 novel unfolds in the fictional town of Branton Hills and tells the story of a young man named John Gadsby who endeavors to revitalize his community through various means including art and civic responsibility This linguistic challenge not only showcases Wright s dexterity as a writer but also evokes a rich if constrained narrative voice allowing readers to appreciate the depth of character development and thematic exploration of community ambition and the nature of communication itself Ernest Vincent Wright was a forward thinking writer whose fascination with language and form is palpable throughout his works Born in 1872 Wright s diverse experiences as an artist writer and public speaker undoubtedly influenced his decision to craft such a daring narrative His commitment to pushing the boundaries of literature and exploring the relationship between language and story aligns seamlessly with the unique structure of *Gadsby* embodying his belief in the transformative power of creativity For readers who appreciate innovative literature and the power of linguistic constraints *Gadsby* serves as an engaging exploration of narrative possibility Its inventive style invites both admiration and contemplation making it a compelling read for anyone interested in the evolution of literary forms or the intricate dance of language itself *Storms and Sunrises* Mark A. Nemec,2021-09-09 When will the rain ever end At times it is just a drizzle and at times it is a deluge It is mostly dark and mostly dreary At times the thunder and lightning make my knees shake and my heart skip a beat Why does it have to storm Why do storms come when I least expect them Why do they

cause damage and devastation Almighty God answers and says Without the storms of life you will never appreciate the little things the beautiful sunrises I have made just for you You will forget how much I love you and that I have made all things for your good The storms of today are the sunrises of tomorrow The Forsaken Ace Atkins,2015-07-07 Mississippi sheriff Quinn Colson attempts to root out small town corruption in this gritty crime thriller in Ace Atkins acclaimed New York Times bestselling series Thirty six years ago a nameless black man wandered into Jericho Mississippi with nothing but the clothes on his back and a pair of paratrooper boots Less than two days later he was accused of rape and murder hunted down by a self appointed posse and lynched Now evidence has surfaced of his innocence and county sheriff Quinn Colson sets out not only to identify the stranger s remains but to charge those responsible for the lynching As he starts to uncover old lies and dirty secrets though he runs up against fierce opposition from those with the most to lose and they can play dirty themselves Soon Colson will find himself accused of terrible crimes and the worst part is the accusations just might stick As the two investigations come to a head it is anybody s guess who will prevail or even come out of it alive **The View from the Folding Chairs** Michala Miller,2001 In 1941 eight year old Michala Cloonan Miller found herself a very small player in the infinitely larger drama of a world war In this memoir of her childhood in the North Park region of central Colorado Miller recalls with dry humor irony and exquisite detail the excitement of War Chest campaigns victory dances tin collections and patriotic school programs Page 4 of cover **Promise** Clarence Joseph Socha,2002-03-12 It bothers you Keeps coming back to mind like a dream Wont go away You read about the phenomenon and you wonder if it is really possible that you have flashbacks to a life you had lived before Nahhhh But you search for answers You read about therapists who claim when they use hypnosis to probe into patients subconscious for causes of emotional problems that often they regress to previous life Sometimes they speak in a different voice and tongue and are instructed to speak English Is this possible Can you believe what these therapists claim More than forty years ago Mr Socha read a book The Search for Bridey Murphy by Morey Bernstein an amateur hypnotist It was about a Colorado woman who was hypnotized who talked about a life she lived in the 1700s in Cork Ireland Her name was Bridey Murphy The book created a sensation but reincarnation in the 1950s in America was considered too far out and not to be taken seriously The books popularity diminished and it is out of print although used bookstores grab all the copies they can get their hands on because people continue asking about it and copies do not stay on the shelves very long The author C Joseph Socha could not forget about Bridey The question What if persisted Imagine what it would be like to listen in as a therapist who hypnotizes a patient is suddenly talking to an entity in another lifetime and is witnessing a famous historical scene Ancient Rome the Napoleonic Wars moments of our Revolutionary War An exciting idea You have an observer there now You communicate with him Tell me what you see What is happening That is how Promise began Socha picked a historical period to write about He researched that period meticulously for details that matched accurately what we know of that period from our history books today He leafed through hundreds of yellowed aged pages of

historical manuscripts He examined illustrations He had to feel that he was actually there to write realistically And what about the therapist How did he become one What did he experience the first time in a therapy session that he encountered an entity in a previous lifetime Did he always believe in reincarnation If not did it shock him the first time he was exposed to an actual regression case How did he hypnotize How about a case history that he could share with the writer These were questions that Socha the writer struggled with He had to know How else could he write about it realistically The reader of Promise will often wonder Hey Is this stuff fact or fiction It is fiction but the copy reads like an article like reporting facts accurate details about the period and the surroundings of that historical moment Like providing mental snapshots of a moment VISUAL writing Something the author learned while working in the audio visual production industry The picture was all important but in a novel no actual pictures are provided So the writer produces descriptive movement You see what he sees and feel what takes place You can read the story aloud to someone and they will see in their own mind what is happening like watching a movie or TV play The period in history that the story about is especially important to people who live in the Detroit area They have often walked the location sat beside the Detroit River sensing its emotion calming effect And standing before the Pontchartrain Hotel that sits on the site that once was Fort Detroit if he has any imagination at all cant he feel how it was long ago when not this tall modern building stood before him but in his imagination the old Fort Detroit is there And surrounding the Fort is the frontier What was it like What did it actually look like Who lived in that Fort You want to meet these people desperately because you feel the importance These are people struggling to exist and sometimes you might ev
