Better Off Wet Keith Foxe, 2017-07-18 There are books that redefine a genre Better Off Wet turns the fishing memoir into a meditation on the significance that humans attribute to enjoyment It recounts the fifteen year quest to catch a trout in a small stream in Pennsylvania that has become hallowed ground among a cadre of quiet but obsessed fly anglers The journey starts in the literary brat pack period of the 80 s the halcyon days of New York publishing and the era of Wall Street Masters of the Universe The journey continues to the West Coast San Francisco in the 90 s Silicon Valley in the new millennium with all the accompanying anti banality of dot com exuberance It looks at media moguls venture capitalists artists and regular people too all from a safe distance Critics call it laugh out loud funny even the serious parts Readers claim to have found enlightenment between its covers You may too

This Life's Tempestuous Sea Douglas Charles Toland, 2013-06 In a weak moment I have written a book Margaret Mitchell This book is a multilayered creation that touches on a wide array of topics many of them drawn from personal experiences Indeed you the lucky reader will be blessed with enough material for at least three books within one cover Why would I want to write such a multi themed book It wasn't my original intention Maybe I've learned an important lesson and won't do so next time Like many older folks I wanted to share what I have learned to be true and useful and couldn't seem to stay with a single topic I've lived long enough to confirm an important realization the gleanings from a well lived life are at least as important as knowledge gained vicariously through reading and classroom attendance But I think most people don't fully appreciate the value of their life lessons and end up taking most of them to the grave I want to counter that pattern and use this book to share as many of my gleanings as I can I also recognize several imminent dangers facing this nation and our planet and feel compelled to share these concerns Just as important I want my wife children and grandchildren to know more about who I was and who I've come to be I hope they will have occasions to use some of my wisdom
