Better Than Great Arthur Plotnik, 2011-06-07 Deft praise encourages others to feel as we do share our enthusiasms In this age of awesome our words and phrases of acclaim are exhausted all but impotent Arthur Plotnik is proffering a well knit wellspring of worthy and wondrous words to rescue our worn down usage from publisher description *Word Up! How to Write Powerful Sentences and Paragraphs* Marcia Riefer Johnston, 2013-04-27 Want to know how to write more powerfully You've come to the right book Word Up an eclectic collection of essays more inspiration guide than style guide serves up tips and insights for anyone who wants to know how to write with umph Word Up does what too few writing books do it practices while preaching shows while telling uses powerful writing to talk about powerful writing Word Up explores the perplexities and celebrates the pleasures of the English language It leaves you smiling and ready to conquer your next blank or blah page

Be a Good in the World Brenda Knight, 2015-04-14 In the hurly burly of this busy world simple kindness and goodness can get left behind in the rush to be first in line to the top of the corporate ladder and to have the most likes But what does it all mean at the end of the day Isn't being a good person and making real contributions to the world more important than anything else Author Brenda Knight part of the team who made the world a better place with Random Acts of Kindness as well as a little more thankful with The Grateful Table writes At the end of life I feel sure having lots of money fancy cars and real estate is not nearly as important as how much love you gave to the world This realization was the inspiration for *Be a Good in the World* a book of good days filled with ideas for making a difference **The Elements of Expression** Arthur Plotnik, 2012-06-01 More than ever in this completely updated edition *The Elements of Expression* helps word users light up the cosmos or the written page or the face across the table as they seek the radiance of expressiveness the vivid expression of thoughts feelings and observations Nothing kills radiance like the murky generic language dominating today's talk airwaves and posts It tugs at our every sentence but using it to express anything beyond the ordinary is like flapping the tongue to escape gravity *The Elements of Expression* offers an adventurous and inspiring flight into words that truly share what's percolating in our minds Here writers presenters students bloggers even well intentioned Mad Men will discover language to convey precise feelings move audiences delight and persuade No snob or scold the acclaimed word maven Arthur Plotnik explores the full range of expressiveness from playful tough talk to finely wrought literature with hundreds of rousing examples Confessing that we are all like a squid in its ink when first groping for luminous expression he shines his amiable wit on the elements leading ultimately to language of fissionable intensity
