Bevrijdingswetenschap Een Partijdige Visie Op De Derde Wereld:

Boletín de estudios latinoamericanos y del Caribe, 1988 Empire & Emancipation Jan Nederveen Pieterse, 1990
History philosophy a whole sweep of ideas come together in Empire and Emancipation in an analysis that both illuminates and provokes A Sivanandan Marxist perspectives equate imperialism with capitalism Preoccupation with the economics of empire over the last century has obscured the politics of empire While there are many regional or period studies on the subject of emancipation they lack the wide angled approach necessary for a global understanding of the forces at work In Empire and Emancipation Jan Nederveen Pieterse breaks with traditional approaches to imperialism to present a more balanced view of history one that examines the logic of liberation as well as the logic of imperialism As the author points out in his introduction We appear to know more and to think more about domination than about liberation Does this indicate that in our general perception history is chiefly made from above He identifies several continuities and discontinuities of imperial history between European and non European dimensions of empire between aristocratic and capitalist modes between race within Europe and beyond between the British Empire and United States hegemony Nederveen Pieterse examines class struggles in the Western world the Irish struggle the struggles of American Indians and of the African diaspora to bring together in one historical perspective the experiences and projects of the world's most powerful and most powerless Empire and Emancipation is the first theoretically developed study of both domination and liberation as the shaping forces of world history *Bijdragen tot de taal-, land- en volkenkunde van Nederlandsch-Indië*, 1997 Literatuur overzicht issued with v 95 Anthropologica, 1985 Includes reports of meetings of the institute **Understanding Traditional Agriculture** Hans Carlier, 1987 This book contains two articles on traditional agriculture a general bibliography and a bibliography classified per country SWI forum voor Kunst, Cultuur en Wetenschap, 1984 *Journal of Economic Literature*, 1988 *Sociological Abstracts* Leo P.
