Empire, Emergency and International Law John Reynolds, 2017-08-10 What does it mean to say we live in a permanent state of emergency What are the juridical political and social underpinnings of that framing Has international law played a role in producing or challenging the paradigm of normalised emergency How should we understand the relationship

between imperialism race and emergency legal regimes In addressing such questions this book situates emergency doctrine in historical context It illustrates some of the particular colonial lineages that have shaped the state of emergency and emphasises that contemporary formations of emergency governance are often better understood not as new or exceptional but as part of an ongoing historical constellation of racialised emergency politics The book highlights the connections between emergency law and violence and encourages alternative approaches to security discourse It will appeal to scholars and students of international law colonial history postcolonialism and human rights as well as policymakers and social justice advocates

Social Justice and Israel/Palestine Aaron J. Hahn Tapper, Mira Sucharov, 2019-06-24 This book critically assesses a series of complex and topical debates helping readers to make sense of the politics surrounding the Israeli Palestinian relationship Each chapter considers one topic represented by two or three essays offered in conversation with one another Together these essays advance different perspectives in some cases they are complementary and in others they are oppositional Topics include scholarly and activist interpretations of narratives in the context of Israel Palestine the concept of self determination for Jewish Israelis and Palestinians the debate over settler colonialism as an appropriate framework for interpreting the history of Israel Palestine and questions surrounding Jewish and Palestinian refugees and the impact of displacement among others Through these foundational and contemporary topics readers will be challenged to critically examine the strengths and weaknesses of each position in light of scholarly debates rooted in social justice and helped to gain a deeper understanding of the relationship between Israelis and Palestinians in order to see a path forward toward justice for all

Law, Politics and Rights Tiyanjana Maluwa, 2013-11-29 Law Politics and Rights Essays in Memory of Kader Asmal presents critical perspectives on various inter related themes in the areas of human rights constitutionalism democracy international law political and cultural rights and identity The discussions reflect the wide ranging interests and subjects that Kader Asmal engaged with as a legal scholar human rights campaigner and politician of international renown throughout his life Kader Asmal is perhaps best known for his political career as one of the most senior members of the African National Congress and a government minister in post apartheid South Africa Less well known to the general public is his equally immense contribution to international human rights law and policy recognised with the award of the Prix UNESCO in 1983 through more than three decades of an international academic career and legal activism This book is a reminder of the enduring relevance of the issues and causes he espoused and advocated Contributors include John Dugard Richard Harvey Federico Lenzerini Tiyanjana Maluwa Obiora Chinedu Okafor Nsongurua Udombana Muna Ndulo Albie Sachs Max du Plessis Nico Steytler Gerard Whyte and Abdulqawi Yusuf

The Wretched of the Global South Thamil Venthan Ananthavinayagan, Amritha Viswanath Shenoy, 2024-03-07 The books aims to discuss and present an alternative epistemology of human rights against the background of the globalization from below The interdependent network of transnational networks ranging from social movements NGOs and other groupings questions the neoliberal paradigm and a

particular set of human rights This book wishes to transform this discourse on human rights and amplify the subaltern voices The book also aims to highlight alternative practices of freedom that decenter human rights as a liberation discourse Following Julia Suarez Krabbe in *Race Rights and Rebels* the authors aim to amend to practices of freedom that center different orders of knowledge on subjectivity and agency The proposed book first situates the problem of representation of the marginalized voices in contemporary legal and political discourse Second it offers critiques in theory and third followed by alternative practices that emanate from marginalized localities In particular this book wishes to reflect upon alternatives rooted in legal and non legal responses to address human rights grievances In the end this book envisages along the lines of Frantz Fanon to vision the possibility of the human by a new concept addressing the concerns in various ways As Fanon argued for a new start a new way of thinking and for the creation of a new man it is pertinent to trigger a human rights project from the below p **The Writing on the Wall** Aeyal Gross,2017-03-24 As Israel s control of the Occupied

Palestinian Territory nears its fiftieth anniversary *The Writing on the Wall* offers a critical perspective on the international law of occupation Advocating a normative and functional approach to occupation and to the question of when it exists it analyzes the application of humanitarian and human rights law pointing to the risk of using the law of occupation in its current version to legitimize new variations of conquest and colonialism The book points to the need for reconsidering the law of occupation in light of changing forms of control such as those evident in Gaza Although the Israeli occupation is a main focal point the book broadens its compass to look at other cases such as Iraq Northern Cyprus and Western Sahara highlighting the role that international law plays in all of these cases HUMAN RIGHTS LAW AND PRACTICE, SECOND EDITION DAS, JATINDRA KUMAR,2022-03-24 The book written with a rich teaching and research experience of the author emphasises the critical evaluation of contemporary human rights law and practice with special reference to India It evaluates the ongoing discourse on various issues relating to life liberty equality and human dignity and their reflections in international human rights law referring to the state practices through constitutional guarantees judicial decisions as well as through enacting appropriate legislations This lucid and comprehensive book is logically organised into nine chapters Beginning with the theoretical foundations of human rights law referring to origin development and theories of human rights at the preliminary level the book proceeds to International Bill of Human Rights demonstrating various facets of civil and political rights as well as economic social and cultural rights It further discusses the importance of human rights law in protection against inhuman wrongs and examines a large number of debates concerning human rights to the development and protection of the environment Then it moves on to explore various issues relating to human rights in Indian Constitutional Law The second half of the book emphasises the protection of the rights of women and children which has been the focal point of all human rights discussions It also deals with the scope and ambit of the rights of indigenous peoples and minorities including their protection At the end the book examines the utility and justifications of human rights law in
