Beyond Spring Tzu Poems Of The Sung Dynasty:

Beyond Spring Julie Landau, 1997-02-21 The first anthology of Sung dynasty tz u poems available in English Beyond Spring provides a representative body of translations 150 in all Keeping true to the original music Landau s faithful translations capture the phrasing and rhythms crucial to Tz u Luxuriant Gems of the Spring and Autumn Zhongshu Dong, 2015-12-15 The Spring and Autumn Chunqiu is a chronicle kept by the dukes of the state of Lu from 722 to 481 B C E Luxuriant Gems of the Spring and Autumn Chunqiu fanlu follows the interpretations of the Gongyang Commentary whose transmitters sought to explicate the special language of the Spring and Autumn The work is often ascribed to the Han scholar and court official Dong Zhongshu but as this study reveals the text is in fact a compendium of writings by a variety of authors spanning several generations It depicts a utopian vision of a flourishing humanity that they believed to be Confucius s legacy to the world The Gongyang masters thought that Confucius had written the Spring and Autumn employing subtle phrasing to indicate approval or disapproval of important events and personages Luxuriant Gems therefore augments Confucian ethical and philosophical teachings with chapters on cosmology statecraft and other topics drawn from contemporary non Confucian traditions A major resource this book features the first complete English language translation of Luxuriant Gems divided into eight thematic sections with introductions that address dating authorship authenticity and the relationship between the Spring and Autumn and the Gongyang approach Critically illuminating early Chinese philosophy religion literature and politics this book conveys the brilliance of intellectual life in the Han dynasty during the formative decades of the Chinese imperial state **The Columbia Anthology of Yuan Drama** C. T. Hsia, Wai-yee Li, George Kao, 2014-04-29 This anthology features translations of ten seminal plays written during the Yuan dynasty 1279-1368 a period considered the golden age of Chinese theater By turns lyrical and earthy sentimental and ironic Yuan drama spans a broad emotional linguistic and stylistic range Combining sung arias with declaimed verses and doggerels dialogues and mime and jokes and acrobatic feats Yuan drama formed a vital part of China s culture of performance and entertainment in the thirteenth and fourteenth centuries To date few Yuan dynasty plays have been translated into English Well known translators and scholars have supervised the making of this collection and add a short description to each play A general introduction situates all selections within their cultural and historical contexts *Mencius* Mencius, 2009-09-18 Known throughout East Asia as Mengzi or Master Meng Mencius 391-308 B C E was a Chinese philosopher of the late Zhou dynasty an instrumental figure in the spread of the Confucian tradition and a brilliant illuminator of its ideas Mencius was active during the Warring States Period 403-221 B C E in which competing powers sought to control the declining Zhou empire Like Confucius Mencius journeyed to one feudal court after another searching for a proper lord who could put his teachings into practice Only a leader who possessed the moral qualities of a true king could unify China Mencius believed and in his defense of Zhou rule and Confucian philosophy he developed an innovative and highly nuanced approach to understanding politics self cultivation and

human nature profoundly influencing the course of Confucian thought and East Asian culture Mencius is a record of the philosopher's conversations with warring lords disciples and adversaries of the Way as well as a collection of pronouncements on government human nature and a variety of other philosophical and political subjects Mencius is largely concerned with the motivations of human actors and their capacity for mutual respect He builds on the Confucian idea of ren or humaneness and places it alongside the complementary principle of yi or rightness advancing a complex notion of what is right for certain individuals as they perform distinct roles in specific situations Consequently Mencius's impact was felt not only in the thought of the intellectual and social elite but also in the value and belief systems of all Chinese people

Traditional Japanese Theater Karen Brazell, 1998 Introduces the genres of noh kyogen kabuki and bunraku puppet theater and offers translations of thirty of the best known plays with background information on their history characters staging and significance

The Orphan of Zhao and Other Yuan Plays Stephen H. West, Wilt L. Idema, 2014-12-09 This is the first anthology of Yuan dynasty zaju miscellaneous comedies to introduce the genre to English speaking readers exclusively through translations of the plays fourteenth century editions Almost all previous translations of Yuan dynasty zaju are based on late Ming regularized editions that were heavily adapted for performance at the Ming imperial court and then extensively revised in the seventeenth century for the reading pleasure of Jiangnan literati These early editions are based on leading actor scripts and contain arias prose dialogue and cue lines They encompass a fascinating range of subject matter from high political intrigue to commoner life and religious conversion Crackling with raw emotion violent imagery and colorful language and wit the zaju in this volume explore the consequences of loyalty and betrayal ambition and enlightenment and piety and drunkenness The collection features seven of the twenty six available untranslated zaju published in the fourteenth century with a substantial introduction preceding each play and extensive annotations throughout The editors also include translations of the Ming versions of four of the included plays and an essay that synthesizes recent Chinese and Japanese scholarship on the subject

Record of Miraculous Events in Japan, 2013-07-23 The Nihon ryoiki a collection of setsuwa or anecdotal tales compiled by a monk in late eighth or early ninth century Japan records the spread of Buddhist ideas in Japan and the ways in which Buddhism's principles were adapted to the conditions of Japanese society Beginning in the time before Buddhism was introduced to Japan the text captures the effects of the nation's initial contact with Buddhism brought by emissaries from the king of the Korean state of Paekche and the subsequent adoption and dissemination of these new teachings in Japanese towns and cities The Nihon ryoiki provides a crucial window into the ways in which Japanese Buddhists began to make sense of the teachings and texts of their religion incorporate religious observances and materials from Korea and China and articulate a popularized form of Buddhist practice and belief that could extend beyond monastic centers The setsuwa genre would become one of the major textual projects of classical and medieval Buddhism with nearly two dozen collections appearing over the next five centuries The Nihon ryoiki serves as a vital reference for these later works with the

tales it contains finding their way into folkloric traditions and becoming a major source for Japanese authors well into the modern period

The Huainanzi John S. Major, Sarah A. Queen, Andrew Seth Meyer, Harold D. Roth, 2010-04-14 Compiled by scholars at the court of Liu An king of Huainan in the second century B C E The Huainanzi is a tightly organized sophisticated articulation of Western Han philosophy and statecraft Outlining all that a modern monarch needs to know the text emphasizes rigorous self cultivation and mental discipline brilliantly synthesizing for readers past and present the full spectrum of early Chinese thought The Huainanzi locates the key to successful rule in a balance of broad knowledge diligent application and the penetrating wisdom of a sage It is a unique and creative synthesis of Daoist classics such as the Laozi and the Zhuangzi works associated with the Confucian tradition such as the Changes the Odes and the Documents and a wide range of other foundational philosophical and literary texts from the Mozi to the Hanfeizi The product of twelve years of scholarship this remarkable translation preserves The Huainanzi's special rhetorical features such as parallel prose and verse and showcases a compositional technique that conveys the work's powerful philosophical appeal This path breaking volume will have a transformative impact on the field of early Chinese intellectual history and will be of great interest to scholars and students alike

The Art of War Sun Zi, 2007-11-08 Compiled during the Warring States period of 475-221 B C E The Art of War has had an enormous impact on the development of Chinese military strategy over the past two thousand years and occupies an important place in East Asian intellectual history It is the first known attempt to formulate a rational basis for the planning and conduct of military operations and while numerous editions of the work exist Victor Mair's translation is the first to remain true to the original structure and essential style of the text Mair's fidelity to the original along with his insightful commentary and reliance on archaeologically recovered manuscripts breaks new ground in solving The Art of War's difficult textual and contextual problems He confronts complex questions concerning the authorship of the work asserting that Sun Wu a supposed strategist of the Spring and Autumn period 770-476 B C E to whom the text is traditionally attributed never existed Instead Mair claims that The Art of War coalesced over a period of around seventy five years from the middle of the fourth century to the first quarter of the third century B C E Mair also reveals the way The Art of War reflects historical developments in technological and military strategy in civilizations throughout Eurasia especially in regards to iron metallurgy He demonstrates the close link between the philosophy in The Art of War and Taoism and discusses the reception of the text from the classical period to today Finally Mair highlights previously unaddressed stylistic and statistical aspects and includes philological annotations that present new ways of approaching the intellectual and social background of the work A phenomenal achievement Mair's comprehensive translation is an indispensable resource for today's students strategists and scholars

Japanese and Chinese Poems to Sing J. Thomas Rimer, Jonathan Chaves, 1997 This first time English translation of the Wakan roei shu includes insightful annotations after each passage and several explanatory essays
